

## Section 3 – External Auditor Report and Certificate 2018/19

In respect of

Burford Parish Council SH0033

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review:

- The smaller authority has not addressed the 'except for' matters raised by the external auditor when qualifying the prior year annual return. Section 2, Box 9 of the prior year comparative column has not been amended to include asset purchases in the prior year. The figure should read £338,335. We have been unable to ascertain whether these assets have also been omitted from the current year figure in Section 2, Box 9. The smaller authority has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.

Other matters not affecting our opinion which we draw to the attention of the authority:

- In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to a failure in internal control by ticking "no" to internal control objectives A & I. No explanation has been provided by the internal auditor or the smaller authority. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.
- The smaller authority has not provided an adequate explanation for the variances between the prior and current year values in Boxes 3 and 6 of Section 2

### 3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
