From the Clock Tower cross the road, go into the churchyard, and turn left behind the church. Go down the steps, out of the gate and turn right for a short distance. **1**

Turn left through a kissing-gate, and up the left-hand path to the Station House. **2**

Turn right, go through wooden gates and follow the avenue around the right-hand edge of the Linden Field. Go through the gate at the end and turn left below the Windmill Hill. **3**

(At this point a short but steep detour up the hill and down again will give you a terrific view of the town. It's your choice).

When you reach a gate, go through it and turn right on to Farley Rd for 20m, and then cross the road. Go through a gate and walk up the hill to a kissing-gate. **4**

Follow the path to a gap, and then keep to the left, up the hill. Follow the path along the right-

hand side of the field, overlooking Wenlock Edge. **5**

At a post turn left, between a hedge and a fence on your right. Go through a wood along a path to the right of the gate, and into open fields. **6**

Follow the path down and to the left, until you reach a caravan site. Do not go through the gate, but turn right through a gap and across the path of a stream. Follow the path alongside the hedge on your left, and then turn right when it enters a wood. **7** You will have views of Much Wenlock through the hedge on your left, until you come to a gap in the hedge, where you turn left down a lane which takes you to a bridge. **8** Walk on the pavement on the right-hand side of the bridge until you reach the main road, where you follow the road around to the right, and then turn left into the High Street. This will take you back to the centre of Much Wenlock.
