

Handheld enforcement device for PaybyPhone

To enable F&HDC to enforce parking restrictions in the Parish car park DPC are required to supply any necessary equipment, Within our contract with PaybyPhone a handheld enforcement device is available at £15 per month (2 year minimum contract)

Extract from the contract:-

5.2 If required by the Client, PayByPhone shall provide, subject to the terms of this Agreement and for use only in relation to this Agreement, the Client with handheld units at a cost of £15.00 (fifteenpounds) per unit per month.

5.3 The above prices assume the units are supplied on the basis of a twenty-four (24)month contract. PayByPhone reserves the right to increase the above costs during the term of the Agreement, such increase to be reasonable and to reflect only any increased cost to PayByPhone (including any taxes, air time costs, and any other applicable charges) of the units themselves.

Subject to Contracts

5.4 The Client shall be responsible for any loss or damage to any of such units and/ or any of PayByPhone's information stored on those units (subject to normal wear and tear).

5.5 Risk in and to the said units and/or in any other equipment or data provided to the Client shall pass to the Client on delivery.
For the avoidance of doubt, title to the handheld enforcement units shall remain with PayByPhone at all times.
