From the Clock Tower, face the Guildhall and then turn right along Barrow St, until you reach the Raven Hotel. Turn right into St. Mary's Rd, and follow it until it reaches the main road A458. **1** At the garage, go over the main road at the crossing (*take care*), and go through a large farm gate.

Follow the path to a kissing-gate, and turn left up a wooded track. **2** Keep the hedge on your left, until you veer right on a diagonal path across the field below, which meets a T junction at the bottom of the field. **3**

Turn right on to a vehicle track, and follow it round to the right, head to the right of the ruined farm buildings. **4**

Keep the hedgerow on your left. The path heads across the field, joining a path straight up the hill, alongside the hedge on the right. The path passes through trees, to the right of the house and garden, to meet Bourton Rd. **5**

Turn right, and after 200m cross the road, with care. Follow the footpath to the left, through a kissing-gate. **6** Cross the field to the far right-hand corner.

Pass through a small metal gate, and over a stile. Follow the path between the hedge and the fence, and where it turns left continue straight ahead and over the stile. **7**

Descend the hill, keeping the hedge on your right, until you reach a fingerpost level with an isolated tree. Take the left turn, following the marker, down to the path along the foot of the field. Then turn right, to reach a gap in the stone wall, opposite a white cottage. **8**

Go through the gap, then right down a lane to the main road. Turn right, and use the crossing to cross the main road just after the garage (*take care*). The Shrewsbury Road will lead you to the end of the High Street, and back into Much Wenlock.
