## News from St. Nicholas Church

New beginnings - As we begin the new church year with the start of Advent, this is the time to look forward to the coming of the new-born baby in the humble stable manger, Jesus Christ himself. The best Christmas present the world has ever known. The best Christmas present the world needs now, a gift that is always affordable and never sold out. Let us receive it ourselves with joy and pass it on to those we meet through the coming year. St.Nicolas himself knew a thing or two about Christmas!

**Reminders-The Church Porch** stays open for all who need a respite, from the weather, a tough walk up the hill, or just some sheltered space to enjoy the surroundings and 'recharge the batteries'. The main church building is open during services only and for the eco-shop after. A key can be obtained from the churchwardens at any other time. Their contact details are elsewhere in the magazine or on the church noticeboard.

**Information** - Really good news that we are about to have a 'new and improved', and enlarged, noticeboard. We have so wanted to let everyone know what is going on, with an easier to access information board, to be viewed comfortably from the roadside, pathway or bench.

**Tower repairs** - Seems forever that we have not been able to get permission for the repairs, but progress is being made. Please take care to avoid the west door area for now.

**Morning Prayer** from the gardens of Canterbury Cathedral with the Dean are every morning on Facebook or the diocesan website and is available at any time.

**Celtic Prayers** are said at 8.45-9.15am each Monday in the side chapel. Please contact Rev.John Huggins or the churchwardens at any time if you have prayer requests. Prayers will be said at Monday morning prayer time or in private if you wish. This time is a relaxed moment in the week to reflect in the peace of St.Nicolas, can be precious minutes to treasure through the week.

**Remembrance Service** - It was good to be able again to display the banners, so beautifully made and embroidered by residents, each one a potted biography of the young men from this parish killed in WW1. Each one had a lit candle and is an enduring, poignant memorial to their sacrifice for us, as well as the chance to remember those killed or injured in all areas of conflict since then.

**Food Bank** - As, sadly the Village shop is closing, we will have a basket in the church for any gifts of non-perishable food and toiletries for the Maidstone Homeless Food Bank. We hope that all who come will bring items to be delivered to Maidstone.

We give so many thanks to Rob, Hazel and Nick for their generosity in helping to collect much needed supplies for those in need locally over the years.

**The Crafty Grafty Christmas Fair** will be over by the time this magazine is published. We look forward to reporting it next month.

### **Services for December**

**5th 9.30am** Communion

**12th 3.30pm** Baptism of Charlotte and Millicent

**19th 3.00pm** Carol Service

**24th. 3.30pm** Crib Service

**25th 10am** Christmas Day communion

**Finale** - Have just started putting out the fat balls for the birds, with no interest until the temperature has dropped over the last couple of days. They obviously know what is coming. So pleased to watch an Egret land along the Stour valley wetlands at Bowley yesterday, surprisingly close to a large heron. Flocks of small birds enjoying the stubble fields with their fallen grain and wild plants, as well as the acres of wild seed plants specially planted in field corners by woodland and dense hedgerows, a banquet for the all the birds and small mammals and consequently the birds of prey. So much to marvel at. Enjoy your wildlife watching.

**Good wishes to everyone for a Very Happy Christmas**

**Sally Alexander**

### **Boughton Church Eco Shop December**

Thank you to all of you who have come to support the Eco Shop in the last months. It is so good to get to know more people in the community and the feedback has always been lovely. Our big news is that we are hoping to expand the Eco shop to every church in the benefice which is wonderful news. Our current problem is that we are trying to bulk buy, but we are so small, that bulk buying is not easy. With the other churches on board this will be much improved. We hope to get better prices for wholesale and will be able to order more frequently. It is especially exciting to spread the news that soon more churches will be open for refills and ethical products. We will keep you posted on the progress. In the meantime, the Eco shop is offering Christmas gift boxes filled with ethical soap, chocolate and our Faith of Nature products in beautiful glass bottles. Please come and have a look or get in contact if you would like to order one for family and friends for Christmas. As a reminder the shop is open after services (see above for times) and by demand every Wednesday from 3-5pm.

### **As a reminder we currently stock:**

**Sylvia's** homemade jam and **Sally's** homemade marmalade. (£2.50/£3)

**Friendly Soap** palm-oil free in a variety of scents (£ 2.25/ 95g bar)

**Fill** Ethical Laundry liquid (£ 0.55/100ml), Washing up liquid (£0.35/100ml), Rinse Aid (£0.35/100ml), Bathroom Cleaner (£0.35/100ml), Steel and Glass cleaner (£0.35/100ml)

**Faith in Nature** Shower Gel (£1/100ml), Shampoo (£1/100ml) and Conditioner (£1/100ml) and Hand wash (£1/100ml)

**200ml glass bottle** with pump and gold screw lid (hip flask shape) empty £2.50 filled £4.50

**Virunga Park** chocolate milk and dark (£3.80/100g bar) – more expensive but profits directly support the Virunga National Park Bean to Bar project, which employs many of the widows of rangers killed in the protection of wildlife.

**Serious Tissues** Loo roll (£ 0.80/roll) As far as we know the only recycled loo roll that is made in England and for every roll sold, **Serious Tissues** plants a tree!

**All liquids come as refills so please either bring your own containers or pay a deposit and use one of our containers.**

I hope to see you all soon and thank you again for your brilliant support so far.

With best wishes

**Vanessa (and Lily)**

## **Boughton Malherbe Parish Council**

### **Progress report on efforts to set up a replacement for the village shop.**

As you will all know the Parish Council held a meeting on the 11<sup>th</sup> October to allow residents to discuss, express their views, and ask questions concerning the impending closure of the village shop scheduled for the end of December 2021.

The meeting was attended by 44 members of the public, mostly from within the Parish and a short report on the outcome was published in the November Malherbe Monthly.

The Chairman made it clear that the Parish Council could not set up and run a shop under its current legal powers. However, it was agreed that a committee formed by residents in due course would take the matter forward.

Following the meeting, the Parish Council circulated a Questionnaire to households asking for a response to the questions posed that were designed to provide information helpful to the setting up of a shop. The deadline for return was the 30<sup>th</sup> October 2021.

Separate negotiations are taking place between the Post Office and Village Hall Committee to provide a pop-up post office in the Village Hall as soon as possible, leaving the shop committee to deal with the provision of a shop and newspapers.

Responses to the questionnaire were received from **65** Residents (approx. **16%** of the Parish population ) split between **29** male and **36** female residents and these responses are summarised at the end of this report.

All those who expressed an interest in joining a committee at the meeting on the 11<sup>th</sup> October and in the questionnaire responses were invited to attend a meeting on the 8<sup>th</sup> of November.

The purpose of the meeting was to explain everything done to date by the Parish Council, present the results of the questionnaire, and facilitate the setting up a shop committee to take the matter forward. This was achieved and the Parish council will now take a back seat to allow the committee to get on with the job. The Committee will report its activity as and when it is ready from now on.

## **Volunteers Requested for Speedwatch**

The Parish Council would like to hear from anyone interested in volunteering for the Speedwatch scheme. The scheme has been placed on hold due to the shortage of volunteers - at least 3 or 4 are required to make a scheme viable. The council believes it will complement the recently implemented speed awareness scheme

Speedwatch is a national initiative where, in partnership with the police, members of communities use detection devices to monitor local vehicle speeds.

The volunteers report drivers exceeding the speed limit to the police with the aim of educating drivers to slow down. If the data proves a driver is ignoring repeated warnings police can prosecute them.

If you are interested please contact the Parish Clerk  
at [boughtonmalherbecp@gmail.com](mailto:boughtonmalherbecp@gmail.com) or 07972 630555.

## Proposed Community Shop

A group of residents from the parish came forward to form a steering committee with the aims of providing an alternative shop in the village of Grafty Green. Our vision is to be able to erect a suitable building within the centre of the village from which we hope to sell a variety of produce from local suppliers plus the usual basics.

This venture will rely very much on a team of volunteers and there are a few who have already expressed their willingness. Could I ask if you would like to be included in the team that you contact me on either my phone 01622 850381, 07803 962339 or email [burch1997@aol.com](mailto:burch1997@aol.com).

We are also looking to provide a temporary market place for once or twice a week collection of vegetables and maybe more.

Whilst setting up the shop will take a period of time you might like to make a note that there is **fresh fish** deliveries on Tuesday afternoons – Mel will deliver to your door and her number is 07976 435217. Also, Roundoak Farm, who use Luckhurst Butchers, will take orders for **lamb and beef**. Their phone number is 01622 844491. And not forgetting that Milk and More deliver three times a week.

### Newspaper Deliveries

I have negotiated with Jackie's Newspapers that they will continue to deliver your paper/magazine to the telephone box for you to collect. As a customer you will need to organise your paper requirements direct enabling you to alter/change your order and make payments direct to Jackie's Newspapers. Their phone number is 01580 763183 or alternatively go to their web page:- [jackiesnews.co.uk](http://jackiesnews.co.uk) and fill out their new customer form.

The club have a packed programme of events, with monthly meetings at the village hall with a speaker discussing a wide range of gardening topics in the Winter, (it's not all hard work - they have tea and chocolate biscuits at half time), outings to gardens around Kent in the summer a weekend away to far flung gardens in the UK, an annual garden safari, plant sale and a gardening competition.

The club also look after the planters on the village green to enhance the village environment. More recently, they have been part of the working party to plant an area within the churchyard to attract butterflies and pollinating insects.

With 2022 being their 25th anniversary I have been reliably informed that it will be a special year with lots of interesting events planned. Annual membership is £5 which also provides members with discounts at both Rumwood and The Potted Garden Nurseries. If you would like to join this friendly club make new friends and learn more about your garden and the local environment please contact the secretary Sue Burch on 01622 850381, 07803 962339 or email [burch1997@aol.com](mailto:burch1997@aol.com).

### **New Hall Floor**

As part of our plans to refurbish the hall we have taken the opportunity to replace the village hall floor which has provided us with many years of loyal and uncomplaining service to our local community. Sadly, all good things come to an end with our existing floor reaching the end of it's useful life.

We have replaced the floor with a hardwearing vinyl with an American light oak pattern which we hope you will like and which like the old floor we hope will give us many years of loyal service.

### **Carol Hulm & Liz Burgess**

Carol & Liz who have been valuable members of the village hall committee for many years have decided to stand down. On behalf of the committee, I would like to thank them personally for all their hard work over the years and to wish them well for the future.

## Save our Heathlands - News

We want to Thank Everyone for your time on our Day of Protest.

On Sunday 31<sup>st</sup> October the residents of Lenham and the surrounding villages said "Enough is Enough" and held a day of protest against Maidstone Borough Council's plans to parachute 5,000 homes into the middle of the Kent countryside. Villagers from Lenham, Harrietsham, Egerton, Charing, Charing Heath, and Platts Heath, assembled at the Lenham Community Centre to make their collective voices heard loud and clear.

Maidstone's plan for Lenham is an '**environmental destruction on a biblical scale**'.

"Maidstone Council are pursuing the greatest environmental crime of our generation. Despite the Council's new Leader Cllr David Burton claiming that climate change is at the core of every decision and action the council takes, its draft Local Plan now out for public consultation, is proposing environmental destruction on a biblical scale with the desecration of over 1,200 acres of greenfield land earmarked for housing development over the next 20 years. The hypocrisy is astounding.

The day of protest was initially organised in response to the Council's appointed PR Company intentions to hold a public consultation event at the Lenham community centre to showcase their latest plans. However, the event was cancelled last minute upon learning of the community's protest and a further rescheduled date later in November also shelved due to not being able to secure exclusive hire of the centre to stop protesters also hiring space at the same time. Instead of facing local public scrutiny the Council and their PR firm 'We Are Fabrick' have run scared and chosen to hide behind lame bureaucratic excuses. If they are so confident in their plans, they should feel no pressure in defending them.

Maidstone Borough Council has other options available to them in order to meet national government housing targets through a more sustainable and deliverable development plan. Instead, they have opted for a bad plan which protects the nimby-ruling political elite of the Borough Council with a high likelihood of it failing at examination and opening the floodgates to development in favour of sustainable development.

For everyone who has not responded to Consultation 19 please do so now. Family, Friends, Neighbours. The deadline is the 12th of December 2021. Details can be found on [saveourheathlands.co.uk](http://saveourheathlands.co.uk)

## **Grafty Gourmet**

Adapt this Christmas Rock Road however you like. It's great for using up leftover sweets and biscuits.

### **Christmas Rocky Road**

100g of butter, cut into cubes, plus extra for the tin  
250g of Christmas biscuits, such as shortbread or chocolate biscuits  
75g of shelled nuts  
100g of mixed dried  
75g of Christmas sweets (candy canes, marshmallows or jelly sweets)  
400g of milk or plain chocolate (or a mixture of both), chopped  
140g of golden syrup  
2 tablespoons of sprinkles, or more sweets, to decorate

- 1.** Butter and line a 20cm square tin. Break the biscuits into pieces (they need to be no smaller than a pea, but not too chunky or your rocky road won't hold together).
- 2.** Halve any larger nuts either by snapping them or carefully cutting with a knife. Then combine them with the biscuits. Halve any large pieces of dried fruit and chop or snap sweets into smaller pieces, then add these to the bowl.
- 3.** Melt 300g of the chocolate, the butter and the golden syrup carefully in a pan set over a low heat, stirring occasionally, then pour this over the biscuit and nut mixture and mix together so the chocolate covers everything.
- 4.** Tip the mixture into the tin, then level the top (it doesn't need to be completely smooth). Melt the remaining chocolate in the microwave in short blasts, or in a heatproof bowl over a small pan of simmering water, then drizzle this over the top and sprinkle with the decorations. Chill for at least 3 hrs or overnight before cutting into squares.

## Dick Whittington

Dick Whittington (a Gloucester boy in search of fame and fortune) arrives in London to find the streets are NOT paved with Gold after all. Turns out to be a cheap advertising campaign from Cash Converters....

Intrigued by this strange young boy, Alice, the daughter of Alderman FitzWarren, (a ship owner and proprietor of FitzWarrens Stores), offers Dick work and lodgings. He is welcomed by Sarah the Cook and her son Idle Jack. Dick is caught up in a battle between Good, and Evil in the sinister form of King Rat. En route, Dick is befriended by Tommy, a feline with cattitude. The Rat realises help will be needed, and with a little hypnosis, enlists the aid of the Alderman's sea captain, who is transformed from a lovable lunatic into a Maritime Monster, and frames Dick Whittington of theft. Accused of a crime he didn't commit, Dick is cast out, but the dream he has at Highgate Hill convinces him to return and prove his innocence.

The action packed pacey script takes us on a journey beyond the shores of England, with Pirates, shipwrecks, Mermaids and desert Islands to the Palace in Morocco. There are songs, dance routines, special effects, loads of comedy and a generous dollop of audience participation, leading to a breathtaking conflict between Cat and Rat, assuring Whittington Fame and Fortune, and a Happy Ending!

## Save Kent Green Spaces

In November, Save Our Heath Lands joined a group of 27 campaign groups across Kent trying to stop the destruction of over 15,400 acres of green fields. Campaign groups challenging the large numbers of local authority backed housing developments across Kent are coming together to show how much of the county's green space could be lost.

"Save Kent Green Spaces" wants to put pressure on the National Government to change their policy now, not when it is too late. Boris Johnson said in October this year that homes should be built: "Not on green fields, not just jammed in the South East, but beautiful homes on brownfield sites, in places where homes make sense".

Lenham and the surrounding villages support the efforts of Save Kent Green Spaces. Those that attended the day of action on the 28th Nov 2021 had a great time. It was lovely to walk across the Area of Natural Beauty looking over the greenspaces of Lenham while learning about local history, Henny Shooter provided an informative walk across Lenham, those that attended learnt so much about Lenham History and Environment. Save Kent Green Spaces Now !! You can find them on Facebook: [www.facebook.com/savekentgreenspaces](https://www.facebook.com/savekentgreenspaces)

We also want to thank those that took the time to oppose Maidstone Consultation 19. We greatly appreciate the effort that went into the response. Lets hope our united voice is listened to by the Inspector.

## **News from your local MP – Helen Whatley**

### **Building Back Better**

This Autumn seems to have flown by. My Faversham and Mid Kent inbox is fuller than ever, in Westminster I've been part of the Treasury team delivering the Budget, and in Glasgow I played a small part in our historic UK COP26.

However, the mood at Westminster has been subdued. The murder of our colleague Sir David Amess at one of his constituency surgeries has been an enormous shock and sadness to us all. Sir David was an outstanding public servant whose work in his constituency made so many people's lives better. He will be greatly missed.

While his death necessitated a review of security measures for MPs, all the tributes to David were an inspiring reminder of what an MP can do for their community.

Locally I've been on the warpath about the discharge of sewage by Southern Water, securing investment and a face-to-face meeting with the Chief Executive. I've also been working with councillors and campaigners to scrutinise proposals for Lidsing and Heathlands Garden Villages. And a recent highlight of last month was visiting Maidstone Jobcentre Plus to hear how the Kickstart Scheme is benefitting young people locally.

In Parliament, the Chancellor delivered the Budget, and we are getting on with our plan to rebuild from the pandemic with a stronger economy, which works for people right across the UK. Reforms to alcohol duty and introduction of draught relief to support pubs and hospitality were a highlight of the Budget for me as Exchequer Secretary, but also important for jobs and livelihoods here in Faversham and Mid Kent.

While I truly believe the worst of the pandemic is behind us thanks to the vaccination programme, Covid hasn't gone away. My thoughts are with people who have lost loved ones, and I wish those who have been hit recently by this horrible virus a full recovery. If you are eligible, please do be sure to have your booster vaccine. Looking back to where we were a year ago, the progress we've made gives me a great deal of optimism.

### **A stronger, fairer economy**

As Exchequer Secretary to the Treasury, I've been working with the Chancellor and Treasury team on our Budget and Spending Review.

Thanks to the vaccine rollout, the Government's support for businesses, and our Plan for Jobs, our economy is recovering faster than predicted, and we want to make sure that this recovery benefits everyone.

Our levelling up agenda will see families and business across Faversham and Mid Kent benefit, including our pubs and high streets.

### **Standing up for local residents on local development**

I'm continuing to fight to make residents' voices heard on Maidstone Borough Council's Local Plan. I'm bitterly disappointed that Maidstone Borough Council has decided to go ahead with the Heathlands and Lidsing Garden Villages. I've made my concerns clear to the Council many times including in my submission last year.

While decisions about what is built locally are made by locally elected Borough Councillors, I'll continue to stand up for my constituents to make sure their voices are heard in these important decisions.

### **Getting GP services back on track**

Like other parts of the NHS, GP practices have seen an increase in demand for services while having reduced capacity on account of Covid.

I recently visited Len Valley Practice to hear first-hand about the pressures faced by staff in general practice, and the steps being taken to increase face-to-face appointments.

Our Budget and Spending Review confirmed that the NHS budget is set to be £40 billion higher by the end of this Parliament, with £250 million of funding announced to improve access to GP appointments over the winter.

### **Don't derail train improvements, I tell Rail Minister**

A lot of people have contacted me recently about the decision to end the Southeastern franchise. Southeastern's contract came to an end on 17 October and the franchise is now being run by the Operator of Last Resort.

I've called on the Rail Minister to make sure rail users in Faversham and Mid Kent have a reliable service and affordable fares under the new arrangements.

I've also called for vital upgrades to local stations – including renovation work at Faversham station and lifts at Headcorn station – to finally get the green light.

Also, every member of the gardening club has a surprise gift of bulbs currently being delivered to you with the idea that if they flower at the right time they can be exhibited at our Spring Show in March 2022.

Planning for our 25th Anniversary year programme of events is well underway with a mixture of interesting talks that include some garden design ideas, the wilder side to your garden and some ideas of what to do with the unwanted visitors to your precious plants! We have planned the Summer Garden visits with a Garden Party in the village plus the Weekend away. More details will follow in the New Year.

**On January 11th** there will be a quick AGM followed by a talk by Alison Marsden on 'Garden Impact for less effort'. We hope to see as many of you as can make it over to

the village hall to share your gardening stories over tea/coffee and biscuits as we look forward to the beginning of our 25th Anniversary year.

**'In our gardens'** I can refer to some of the tips our excellent last speaker Kevin Tooher left us with on pruning as It is now time to prune tall bush roses, ornamental vines, overgrown deciduous hedges as well as blackcurrants. Just as important not to prune the early flowering plants that will keep our insects fed until Spring.

### **Friends of All Saints Church Ulcombe**

Cardinal John Henry Newman was canonised two years ago - the first English saint for many years. Newman spent two summers (1926 and 1927) staying in Ulcombe with his friend, the Rev Samuel Rickards. When the Rickards' family went on holiday, Newman looked after the parish.

The Committee of the Friends of Ulcombe Church decided some two years ago that it would be good to erect a blue plaque by the church to say Newman had stayed in Ulcombe. But, because of the Corona virus a lot of people involved with blue plaques were unavailable. But now we have discovered the protocol regarding blue plaques and have gone ahead and had one made.

We thought we would make an event of the unveiling of the plaque **on Sunday afternoon, the 12<sup>th</sup> of December at 2.30 pm**. We decided the best place to erect it and where it will be seen by most people was on the garden wall of Ulcombe Place by the footpath to the church.

The plaque will be unveiled by **The Lord Lieutenant of Kent, Lady Colgrain**.

Jane Bourne, the owner of Ulcombe Place and a Roman Catholic, has kindly said she will host a tea party in the church afterwards to which all Friends and Parishioners are invited together with our Roman Catholic friends in Headcorn. During the tea party there will be a short speech about Cardinal Newman by Charles, Lord Moore of Etchingham, who is a distinguished Journalist and former editor of The Daily Telegraph, The Spectator, The Sunday Telegraph, and the authorised biographer of Margaret Thatcher.

You would be most welcome to come along to the unveiling and the tea party.

## Christian Message December 2021

### Dare we hope again this Christmas-time?

For many of us, our hopes rise at Christmas. It may just be the twinkling lights, the carol-kit churches, the trees and thought of Christmas puds and seeing family and friends. Or it may be the excitement of celebrating the birthday of Jesus Christ, born all those years ago, in such strange and impoverished circumstances. Even those who like to shout, 'Humbug' find the Christmas spirit affects them (either the atmosphere or the gin!)

We need hope this year like we've needed it never before. Whether it's Covid, climate change, absurd petrol shortages, rising prices or, or, or.... it has been a year when for most of us, hope has been stretched to the limit.

Of course, not everybody finds Christmas an easy time. Those who live on their own (I have been there...), or who are estranged or distant from family, or down on their luck may struggle at Christmas.

But the real Christmas story has hope at its heart: hope illustrated by a bright star in the sky; hope in the words of Mary exclaiming that God has lifted up the humble, and filled the hungry with good things; hope that this baby Jesus will survive the wicked ways of Herod; hope that this baby would grow to the God-man Jesus, who will rescue us all from the madness that is part of who we are as humans.

So, this Christmastime, let's dare to hope. Let's dare to believe that God is good, that he sent his Son to show us that God is Love. And let's respond by loving those around us for whom Christmas isn't the easiest time of the year.

God bless you all- and may hope spring up in all our hearts this Christmas!

**Rev. John P. Huggins (01622 850280)**
