

## BART Community Support

We are revising our scheme in BART to help people who may be self-isolating (having to stay at home because of the Coronavirus) or who may just need a helping hand.

Our team of volunteers can offer help with:

- Collecting food shopping
- Getting urgent supplies and prescriptions
- Posting mail or running errands
- A friendly phone call to check you are ok

***We don't want anyone to feel alone – don't think twice about contacting us if you feel we can be useful!***

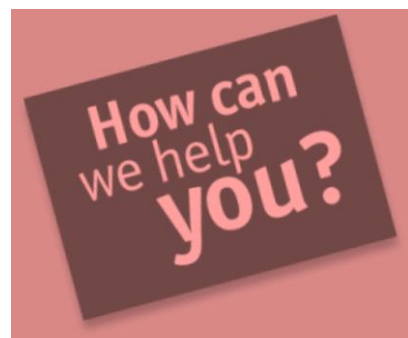

The BART churches and the Parish Councils in Birling, Addington, Ryarsh and Trottiscliffe have come together to offer community support– it's a village network to give help to anyone who may need it:

***If you would like help or are offering help, please let us know...***
