Minutes of the Full Council held at the Village Hall, Milborne St Andrew on Wednesday 04th October 2023 commencing at 1900 hours

Present:

Cllr's Richard Macnair, Ash Batchelor, Rob Greening, and Jayne Williams

5 members of the public

Full Council

1. Apologies for absence

Councillor's Stephens and MacLeod sent apologises, along with Cllr Parker (Dorset Council).

2. Declarations of pecuniary or other interest

No declarations were made.

3. Minutes of the previous meeting held on 06th September 2023

These were approved as a true and accurate record of the meeting.

4. Clerk's report

The Clerk provided an update on items from the last meeting, correspondence, and other matters. There were no questions.

5. Chair's update

The Chair had no matters other than that on the agenda.

6. Public participation (items on the agenda)

There were no matters at this point.

7. Parish Councillors and representatives' reports that effect Parish Council matters Cllr Batchelor confirmed she was looking into the cost of a new village sign.

8. Dorset Councillors report

Cllr Parker wished to pass on that the next tranche of the Household Support Fund was due to go live.

It was asked if Dorset Council had no budget, why was up to £1K being spent on the Litter Lotto. It was suggested that the Ward Councillor was contacted directly.

It was also suggested by a member of the public that it was hypocritical of Dorset Council to advertise a scheme via stickers on bins when it had previously objected to 30mph stickers on wheelie bins.

9. Planning

There were no new planning applications to discuss.

10. Financial matters

a. Payments for authorisation

There were 8 payments (PV's 40-47), totalling £ 2512.97, that were approved and authorised for payment.

b. Half year budget report

The Clerk confirmed that the overall budget spend was **50.11%**. There were no issues or concerns on any cost centres.

It was asked why the surplus funds in the reserve were not invested.

The Clerk confirmed that Councils should hold no more than 200% of Precept in reserve. At this point, MSAPC sat well below this.

If the reserves went above this then the matter of investment could be considered.

11. Sandbag storage, usage, and disposal

Cllr Stephens had received an estimate for a sandbag store, including shed, hard base, and installation. The cost being £2K.

It was agreed that this was too expensive, and alternatives were being investigated.

12. Request for landlords' permission to install an artificial cricket strip at the Sports Club

This request was unanimously supported.

The Parish Council stated that a condition of this permission, in line with the applicant's letter requesting permission and verbal assurances to council, was that the artificial wicket and wider lower level be freely available to the public when not in formal use.

It was also noted that it could not be guaranteed than the Parish Council would, in the event of the sports club being unable to continue in its current form, take over the management and costs of the strip or playing area.

The Parish Council would formally write to the Milborne St Andrew Sports Club confirming the permission and conditions, with the application and reply forming part of the side letter to the lease agreement.

13. s106 application from sports club for installation of cricket pitch

The Parish Council had received v3 of this application.

Concerns were raised as to regards to increase in costs and as to why a cricket pitch was prioritised over other recreational projects.

Both these matters were addressed by the applicant.

Members agreed to support the application.

However, it was stipulated that this project should not be funded until the traffic calming project which had already been submitted to the s106 team at Dorset Council had been completed.

Then, if any residual funding was left, the cricket pitch installation should be considered along side any other projects coming forward, as part of a community consultation.

It was confirmed by a trustee of the Sports Club that it no longer felt it was at high risk of failure, as currently recorded in the Council's Risk Register.

14. Disposal of assets (planters on A354/Milton Road junction)

It was agreed that the two old planters were to be removed from the asset list. The Clerk confirmed that the two new ones had already been added.

15. Parish Council website - costings

Historically, the website provider (Hugo Fox), had provided a free service. However, they now have requested a monthly fee of £9.99.

Members agreed to these costs for a 1-year period, allowing time for a review of the website and associated IT.

Concerns were raised on the searchability of the website in some search engines and its accessibility from mobile phones.

The Clerk would contact the website provider and ascertain if what could be done to alleviate these issues.

16. Public participation (items not on the agenda) – for discussion only

It was queried that the Clerk made the decision to buy the Unknown Tommy's as per the article in the Parish Magazine. It was confirmed it was Full Council who authorised the purchase.

It was asked what the Parish Council had done to facilitate the removal of the temporary plastic barriers on the Causeway.

The Clerk confirmed that Dorset Council Highways were contacted monthly. The issue being one of budgets.

17. Items for the next meeting

Sandbag store New village sign Initial budget setting for 2024/25

18. Date of next meeting

Agenda item 11

Sandbag storage, usage, and disposal

Background

After the flooding in Jan 23, the Parish Council undertook the action to establish a suitable location for a Community Sandbag store.

Situation

The Village Hall have very kindly offered a shed on site.

Dorset Council have offered 100 filled sandbags.

Actions

The Parish Council are requested to consider the following:

a.	Security	Is a combination lock needed
b.	Transport	Should a wheelbarrow be provided to move the sandbags at the point
	of need	
C.	Signage	Clear signage must be needed on outside of shed
d.	Disposal	Instructions as to disposal of sand and matting

Costs

It is suggested that cost would not exceed £100, funds from the Community Fund pot.

Please give a break down of those costs, if applicable - (continue on a separate sheet if needed)	The cost of an adult ticket is proposed to be set at £5. According to the 2011 census, there are approx. 453 households in the Parish. 5 x 453 = £2,265. This is the potential cost in lost ticket sales for the event, though it is expected that the actual uptake will be much less.
What are the aims and purposes of your organisation? (Please limit yourself to a maximum of 150 words).	To raise funds to benefit all children attending Milborne St Andrew First School
Please give details of current activities of your organisation. (Please limit yourself to a maximum of 150 words).	We run activities and events for the most part on the school premises and rely largely on the generosity of the families who have children attending the school.

Please give full details of the work for which you are seeking a grant, including the number of people who will benefit from the project, their ages and whether there are any social, cultural or economic factors that ought to be taken into account (Please limit yourself to a maximum of 200 words).

We would like to offer each household in the Parish one complimentary adult ticket to attend our May Fair 2024. We would like households to make an application by post, telephone, email or online to claim their complimentary ticket. We would like to include an application form in the March & April editions of the Reporter. We propose that this grant will go towards the cost of postage and printing of these tickets, and also cover an element of the ticket revenue.

When is the anticipated project starting date?

March2024

Please give here any supporting information you feel appropriate. (Please limit yourself to a maximum of 200 words) - include a statement of means and/or latest available audited annual accounts.

I/we confirm that all statements and details given above are correct and true and undertake to inform Milborne St Andrews Parish Council should anything materially change. I/we also understand that the Council may use any material within any future publicity surrounding grant approvals and details will be made available to the public.

Spring Into Action

Lighting Up Milborne with Bulbs

Intro

I bring this request as Rob Greening, not Cllr Greening.

1, I will declare an interest as a Cllr.

2, Proposal

To request no more than £100 net, for the purchase of daffodil bulbs and the correct tool for planting bulbs.

3, Vision

My vision is to make Milborne St. Andrew a brighter place by planting some colourful bulbs that would flower in the springtime for the community to enjoy. If the parish council agree to this and all goes well for the first year, my vision would then be to look towards the future and add to the already successfully planted flowers around the village in the coming years.

4, Project

The project is to plant bulbs around the areas of The Memorial Stone, The Queens Tree and below the parish council notice board on Milton Road. I would also like to invite the parish council to support this and ask the community and school if there were any members of the parish and children that would like to help with the planting stage of this project. I feel it's a project that can bring our community together and put smiles on many faces.

I would also like to ask the Parish Council to support the project in the form of a Working Group, to ensure that any volunteers are covered via insurance.

Outro

I, myself will be the project lead, and I'm happy for my contact details to be published so we could put together a community planting party on a day that best suits all involved.

Thank you
