### 5. PUBLIC FORUM FOR QUESTIONS -

Four residents attended the meeting to request support for work they are presently undertaking to maintain the highway verges along Dixon Drive. The residents reported that the verges had not been cut by Cheshire East Council for several weeks which was making the estate appear untidy.

The residents also raised concern regarding the recent slurry sealing of the footway along Dixon Drive which was not considered to resolve the issues relating to the uneven surface of the footway.

A resident reported that one of the postcodes associated with the Cricketers Green development was the same as that for some properties on Common Farm Lane. This has led to an increase in delivery vans being directed to Common Farm Lane by satellite navigation systems which is causing issues for local residents.

**DECISION** a) To receive the reports from residents.

b) That the Clerk supply to the residents a map of the residential estate area of Chelford.

c) That the Clerk make enquiries as to when the verges along Dixon Drive will be cut.

d) That the Parish Council consider, at a future meeting, a request from the residents for financial support for verge cutting along Dixon Drive.

e) That Borough Councillor M. Asquith make enquiries regarding the schedule for verge cutting along Dixon Drive.

f) That the Clerk make enquiries as to possible actions that can be taken to address the issues being experienced by residents on Common Farm Lane.

8:05p.m. - Four members of the public excused themselves from the meeting and left.

### 6. REPORTS FROM EXTERNAL ORGANISATIONS -

a) **Report on matters of interest / concern within Parish** - No police officers were available to attend the meeting, however, a written report had been made available which identified that, since 1<sup>st</sup> May, 2019,

# CHELFORD PARISH COUNCIL

there had been tools stolen from Pepper Street; four thefts from vehicles in the Cricketers Green development; a suspicious vehicle in the Cricketers Green development; a suspicious person on Knutsford Road; three false alarm activations; one 999 alarm (all in order) on Congleton Lane; sheep on A535; erratic driving obstructing an ambulance on A537 and a two vehicle road traffic collision on Knutsford Road. Asquith reported that he will follow the matter up once he has established the correct officer to approach. Borough Councillor M. Asquith reported that he was aware of the new planning application for the former Mere Farm Quarry site and requested that a copy of the Parish Council response be made available to him once determined.

- DECISION**
- a) To receive the report from Borough Councillor M. Asquith.
  - b) That the Clerk provide copies of the background information relating to the dropped kerb request to Borough Councillor M. Asquith.

### i) Applications for consideration -

**DECISION** a) That no comments be submitted in respect of planning application 19/2340M.

- b) 19/2513M - Delivery of watersports and Outdoor Activity Centre on the North Lake of the former Mere Farm Quarry, including new vehicular access, car parking and multi-use building - Former Mere Farm Quarry, Chelford Road/Alderley Road, Nether Alderley, Cheshire. SK10 4SZ

Members discussed the application, however, considered that there were several points upon which clarification was required prior to making a decision on the response to be submitted to the Local Planning Authority.

- DECISION**

  - b) That the Clerk seek clarification as to why the 'neighbour notification' for this new application had included all those who had responded to previous applications at this site.

  - e) That, given the present deadline for comments, the Clerk make arrangements for an Extraordinary Meeting to consider the application.

- c) Additional Planning Applications for consideration - None.

**DECISION** a) To note that no further planning applications had been received.

- ii) **Cheshire East Council - Site Allocations & Development Policies Document** - Councillor D. Wilson reported that he and Councillor B. Brindley had attended a meeting with Cheshire East Council to receive updates on progress with the preparation of the Site Allocations & Development Policies Document. It appears, at this time, that there is little change in the proposed allocation of development land for Chelford. It is likely that the number of dwellings proposed for the site to the rear of Chelford Farm Supplies is to be reduced and, should the development come forward, there may be opportunity to retain some of the car parking area. The allocation of safeguarded land, at present, appears unchanged. A formal consultation on the proposals is expected to commence in July, 2019.

**DECISION** a) To receive and note the report of Councillor D. Wilson.

## 11. NEIGHBOURHOOD PLAN -

### b) Annual RoSPA inspection report -

- i) **Scope of Report** - The Clerk reported that the query relating to the scope of the RoSPA report had

# CHELFORD PARISH COUNCIL

- ii) **Consider the content of the RoSPA report and determine any actions required in relation thereto** - The Clerk reported that it may be beneficial to consider the report once a response had been received to the above enquiry.

**064/19 RESOLVED a) That consideration of the RoSPA report be deferred to the next meeting.**

Proposed: Councillor D. Wilson

Seconded: Councillor B. Brindley

All in favour

**ii) Street Furniture -**

- a) **Replacement Planters** - The Clerk reported that efforts were still being made to secure a street furniture licence to install the new planters. In the interim, it was suggested that the floral displays should proceed in the existing planters.

Proposed: Councillor C. Howlett

Copies had been circulated to groups within the Parish and all Parish Councillors. Further copies were available to download from the Parish Council website. Members noted that the current application period was quite short and may cause problems for some groups who require input from other organisations in the preparation of their application.

- DECISION**
- a) To receive and note the update relating to the process for allocating the Section 106 'community facilities' funds associated with the Cricketers Green development.
  - b) That the Clerk ask Cheshire East Council whether the deadline for applications can be extended.

- iii) **Community Speed Watch** - It was reported that community speed watch activities continue to take place and vehicles continue to be observed travelling at speed in excess of the speed limit. It has been noted that the traffic counts have revealed a consistent volume of traffic travelling through the village on various days and times. Usually there are approximately 450 - 500 vehicles per hour travelling along Knutsford Road.

  - b) That the Clerk seek information relating to the suggestion to provide additional benches within the Parish.

- b) **Developing 'a caring community in Chelford'** - It was suggested that the Parish Council may have opportunities to support the development of a more caring community in Chelford.

- DECISION**
- a) That the suggestion to develop a more caring community in Chelford be considered at a future meeting.

- c) **Community Day** - It was suggested that, in order to develop greater social interaction within the Parish and to facilitate the integration of the residents of the new developments, a Community Day could be arranged to bring together a range of community groups and residents.
