### **5. REPORT FROM WARD COUNCILLOR**

Councillor Clowes reported on the following matters:-

- (i) Incidents of burning materials on Whittakers Green Farm;
- (ii) Streetlight on Checkley Lane and its associated problems relating to the large increase in the cost of power by Scottish Power, which had increased by over 100%, together with changes to the invoicing arrangements. Similar problems were being experienced by other Parish Councils. The Chair reported that he was in discussions with Scottish Power over this matter, and that he would also liaise with the Parish Clerk at Hatherton and Walgherton Parish Council;
- (iii) Hatherton and Walgherton Parish Council had offered, its redundant notice board. This would be accepted and stored until required;
- (iv) Work to update the Neighbourhood Plan was a larger project than first anticipated. The initial invoice had been received by Mr Mark Robinson (Co-ordinator) and an apportioned invoice to this Parish Council, would be issued;
- (v) The Draft National Planning Policy Framework had significant implications for the Borough, particularly in terms of land supply for housing development;
- (vi) The damaged trees on Bridgemere Lane were unlikely to grow as expected. Councillors Wilson and Moore explained that they had available some trees, and Councillors Frodsham and Taylor agreed to plant two suitable trees;
- (vii) The Cheshire East Council Budget had implications for Parish Councils as the SEND budget was in debt by approximately £180m. The 2026-2027 Council Tax would increase by 5% and exceptional financial support was being requested from the Government for 2027-2028, together with a request to increase the Council Tax by more than 5%. If the application for exceptional financial support was refused, the Borough Council was likely to be in a Section 144 bankruptcy situation;
- (viii) Grit bins and litter/rubbish bins.
