Notes

***Purchase of a new plot only available for residents of Hartshill - proof of address will be required.**

***Reserved graves & reopens will need to provide a copy of deeds before burial takes place.**

*Hartshill Burial Authority will no longer be arranging a grave digger. It is the responsibility of the Funeral Director to make sure all graves are dug on time and in keeping with the cemetery rules and regulations.

* Reserved plots have been purchased in advance therefore no fee is required on first interment. Please specify as to whether it is a reserved grave OR a reopen of an existing grave on booking as the prices differ dramatically.
