About the show

On November 28th 1290, Queen Eleanor of Castile died in the Manor House in Harby. Edward I, her King, erected 12 lavish memorials to honour her across the length of the country, topped and tailed by two splendid tombs in Lincoln Cathedral and Westminster Abbey.

No English queen before or since has ever been so extravagantly remembered. Join us in Harby Church for a dramatic telling of their medieval love story and find out who she was, even King Arthur is coming!

Buy tickets for £12.50 on Eventbrite here www.eleanorlongshanks.co.uk or pay on the door.

NEWS FROM QEP – Jeremy Bingham

The latter half of the summer term was a real whirl with a mix of emotions. We said good bye to Y6 and this is always sad, especially when they have been such a wonderful, hardworking and helpful group. However, we know they were ready for the next phase in their education and we look forward to hearing of their achievements! We also said goodbye to Mrs Grundy, and Mr Rowett who have both retired, and Mr Dexter who is now fully qualified and has moved on to a permanent post in Waddington. We would like to wish them all well.

Our summer fayre was a superb event. Thanks to Mrs Wright, the staff and all the parents and helpers the event raised £2188! We do hope you enjoyed it if you came!

The new term has started really well. We would like to extend a very warm welcome to our new starters; all of the pupils in reception have made a tremendous impression straight away! Similarly, Lucy Curtis has taken over the mantle of site manager with real gusto and has managed to find the time to do some painting as well as learning the ropes in terms of cleaning and maintenance! We look forward to another tremendous year!

Our first major event will be Harvest Festival which is in church on 4th October and we look forward to seeing many of you then.

SUMMER FAYRE

A huge thank you to everyone that supported and donated towards our summer fayre—it was an amazing success. The silent auction alone totalled over £1300 and altogether we raised a massive £2188.26 I am sure that you will all agree that for a small school this is a phenomenal amount. The children's enterprise stalls again were imaginative and really enjoyable, with the Teddy Tombola taking the enterprise award. A great deal of hard work went into these stalls and all the children were pleased with their efforts.

Lincoln City FC apologised profusely that their footballers could not attend as had a change to their schedules but they have assured us that they will attend an evening event and bring along footballers and Danny Cowley, this will be arranged by the school council—keep an eye out for the date.

Harby History Group – Louise Herrick 703662

Our summer break is now over and we look forward to Harby History Group meetings once more.

Our next meeting is on Wednesday 27 September when Harold Paine will present “Agincourt- or those Damn French”. This will be a talk with slides and will be a very informative meeting.

Both October and November meetings will be different to those that I advertised at the start of the year.

On 25 October we will be having “Show and Tell”. We have done this a couple of times in the past and it has always proved very popular. Bring along an item from home that is interesting or has an interesting history to it. Show it to the group and tell us what you know or ask what we know. We've had some surprise objects in the past where we've been “tested” until the owner finally reveals what they are! Don't worry and think you must do a full-blown presentation. This is just a bit of fun and quite informal. It's a bit like Antiques Roadshow but without the price tag at the end.

On 29 November the meeting will take place at All Saints Church, Harby from 7-9:30pm. A theatrical performance of “Eleanor Longshanks” will take place by an outside storytelling company. This is to coincide with the anniversary that week of Queen Eleanor's death. The first performance is the night before at Lincoln Cathedral and after visiting Harby they will take the show on the road to all the stops along the route to Westminster. Prices are £12.50 a ticket and details of where to buy these will be on the poster within this issue of Trio.

The 2nd edition of “The History of Harby in Nottinghamshire” is also now available for purchase. Please contact me if you'd like a copy for £12.50.

Meetings are on the last Wednesday of the month in the village hall lounge and unless specified start at 7:30 pm. £2 entry. Everyone is welcome. Please phone me if you want more information or even just a bit of encouragement to attend. New members welcome on a regular or casual basis.

Thorney, Harby & Wigsley Voluntary Car Scheme

(serving the villages of Thorney, Harby, Wigsley with Spalford and N & S Clifton)

The Car Scheme is gathering momentum and I am pleased to be able to say that since we re-launched officially in April this year we have completed 65 trips for a total of 14 local residents. This has included journeys for medical appointments as well as providing transport to and from the railway stations in Newark and Collingham where taxi services are usually hard to come by. Shopping trips have also been completed and recently we helped a couple return home after a wedding celebration (a midnight pick up!) from the Newark area. Another couple benefitted from our help when we transported them to and from an evening wine tasting event at Newark. **So you see the Car Scheme really is for all adults-younger or older.** We currently have 16 volunteer drivers, all recruited from our local villages and so far we have 23 people who have registered and are now all eligible to use the scheme. **Registration is easy and it's free-just call the Co-ordinator Clare Welfare on 07717-17-88-00 or email: thwvcs@gmail.com.** Being a driver is not an onerous task and we could benefit from a few more volunteers who may be able to offer their time on an occasional basis. At this point we have drivers in Thorney, Harby, South Clifton and Spalford but no volunteer drivers have come forward from Wigsley or North Clifton but hope this may change soon. Please just call me if you would like a bit more information about what being a driver entails. Volunteers who may be willing to undertake trips either early morning or evenings would be particularly welcomed! By the way, there are benefits to being a driver - we recently held our first social event for drivers at my bungalow in Thorney on Sept 7th. The subsequent barbecue was good fun, despite the dodgy rain showers and big thanks go to neighbours Lisa and Chris for the loan of their gas barbecue which saved the day! It was great for all drivers to get to know each other a bit better even though we live in different villages! Thinking about planning another social event for us all in due course.....mmmm, let me think!

We are committed to providing a community transport service to enable you to access health related services, shopping amenities, leisure and social activities during the day or evenings. Trips are charged at 45p per mile and must be booked ideally at least 48hrs in advance. **PLEASE GET IN TOUCH IF YOU ARE STUCK FOR TRANSPORT-** it's not guaranteed but there is a good chance we may be able to help you!

CHURCHYARD GRASS CUTTING – Philip Thomas

I have been mowing the grass in the active burial area for the past two years. I volunteered to do this work when the cost of maintenance became more than our diminishing congregation could afford. The Parish Council contributes £50.00, which covers the cost of fuel. I would like volunteers within the village to step forward to maintain our churchyard for the good of the community. I have done my bit, and so, as from the last cut of this season, I will do no further work in this area of the burial area.

I will continue to look after the other areas, front and side, in which we display snowdrops, daffodils and wild flowers in the spring, and mow during the summer.

HARBY BOWLS CLUB – Carol Dallamore

Another season comes to a close and we have enjoyed several successes putting us mid way in the leagues we have entered this year. While considered a friendly and sociable sport we nevertheless do our best to win. It is amazing how competitive the tranquil game of Lawn Bowls can get on a warm balmy Summer's evening as the woods gently click together around the jack!

Sadly Hurricane Irma in the Atlantic caused a disruption in our weather system as well, this resulted in the cancellation of the September Bowls Drive. Management of the Green is vitally important to the game, a soggy green makes it difficult to cut and prepare and also slows the woods in play.

A bowler very soon gets to understand how his/her woods play. On a soggy heavy green the wood needs a good push and then be quick to slow up. On a dry crisp green a little push goes a long way but one has to often take a wide curve for the slow up as it nears the jack. Woods used for indoor bowling tend to run straighter as they have less bias and prove their worth when the greens are dry and firm.

Quite a few of the Club's bowlers continue with Indoor Bowls during the Winter, this keeps the practice up but personally I find the colder months are good for more leisurely employment such as gardening and knitting!

This Winter as the opportunity arises, we will have some practice sessions for the new members. If anyone would care to have a go please give me a call. No charge, flat shoes and a cup of tea to warm you up. We look forward to seeing you on the Green.

I would like to thank all who have donated carpet underlay to the club for lining the green's gutters. It makes a great difference in keeping the woods clean and the weeds down.

Sadly Doris Smith is to be remembered as a past member of our club and with husband Ron continued to support us. Our sincere condolences to her Family.

Autumn Reflection 2017.

Dear Friends,

As I write this, the house is filled with the mouth-watering scent of stewing blackberries and apples. It's the sort of aroma which almost makes me look forward to cold days and dark evenings. At the same time, from the kitchen window, I can see the buddleia flowers, full of butterflies. It's late summer, the time of year when seasons begin to merge and vivid memories fill my head.

Memories of wearing a full school uniform for the first time on a very hot early September day, memories of Goose Fair (essential for anyone who's grown up in Nottingham), bonfire night and Christmas are all brought to mind in glorious detail with the scent of cooking apples.

This time of year is rich in significance because it is so full of memories and activity, which mark the passing of the year and the passage of our lives

At harvest, we celebrate the miracle of the seasons, the skill and work of our farmers and the provision of food from the earth.

At Remembrance tide, we remember with thanksgiving those who have given their lives in war and at All Souls Tide, we remember those whom we love and see no more. At Christmas we remember and celebrate the birth of Jesus.

Indeed, this time of year is so full of remembrance that it is sometimes called a thin time of year, because heaven and earth feel a lot closer together and our past seems to catch up with our present.

It can be challenging because not all memories are happy ones and the pain of losing someone we love is not easily soothed, so I am glad that Christmas crowns this season. The birth of Jesus, God with us, brings together heaven and earth, our past, present and future and I believe that his birth makes sense of all our happiness and pain.

There will be lots of special services and activities in our churches this autumn. Please look out for details and do join in as much as you can.

God bless you and my best wishes for a good autumn,

Rev'd Mandy.

GRASS CUTTING AND GARDEN MAINTENANCE

"Let me do the jobs you don't want to"

TOM TUCKER

THE ALLOTMENTEERS – Carol Dallamore

Autumn has arrived bringing its own palette colours for us to enjoy.

The pumpkins and squash have been harvested so that the skins can dry and seal for storage. Ranging from soft greens to vibrant orange they are glorious and it seems such a shame that we are to eat them. Gathering the last of the raspberries the sun warms the fruit showing up the lovely glowing 'Raspberry Pink'. A colour so suited I feel to warm woolly jumpers and corduroy.

The Red Admiral butterflies are enjoying feeding on fallen fruits. Newly hatched their marking are crisp and clear. The beautiful Peacock butterfly too has taken advantage of this bounty. Both these Butterflies can over Winter emerging in the warm days of Spring but their colours are by then a little faded.

The bees have supped the nectar from the large yellow sunflowers and now the birds are taking the seeds. Look into a sunflower head and see how neatly and compact the seeds have been set, certainly one of nature's bounteous wonders. When putting seed out for the Winter birds, save a dozen sunflower seeds to grow on for Summer. Plant in a group in a spare corner of the garden and enjoy the colours and the visitors.

Ripe red tomatoes fill our baskets and several pounds have been turned into ketchup and chutney. Red and yellow chili peppers and deep purple aubergines nestle among still green leaves. Summer leaves tend to be a softer yellow based green and as we head into the colder season the Winter cabbages and leeks have a tougher blue green hue.

The hedges will soon become less dense as the leaves turn golden brown before dropping to produce a coppery Autumn carpet. Among the fallen leaves can be found the beautiful shiny Horse Chestnuts. Who can resist the childhood habit collecting of these, freshly eased out of their jackets and polished place them with other finds such as Hawthorn, rosehips and crab apples to produce a seasonal plate of colour. These last three fruits can be used with others such as Rowan and blackberry to make Hedgerow jelly, a lovely accompaniment to lamb and beef.

Preserving is the ideal way of ensuring that what we produce on our Allotments, lasts through the lean Winter months and also gives us a sense of achievement in a job well done.

Go Again

For those of you that have missed the Church Clock striking, you will now have heard as it is back in action again.

When Millie and I are in the garden, if I don't hear it, Millie most certainly does, even if the wind is in the wrong direction.

On Sunday 20th August. A Granddaughter of the Reverend George Anderson (Sally Leckenby, daughter of Patrick who was the eldest Son of the Rev George Anderson vicar of All Saints 1922/1955, Died 1st December 1955. his ashes along with those of his wife Cecilia interred in the chancel.) visited All Saints. The Church being locked she rang (tel./ no. on the notice board.) Reverend Mandy Cartwright who directed her to 'the couple in Holly House' (Liesbeth and Philip).

Sally's father Patrick became a Surgeon, it was his younger brother Frances who became a Vicar in London and who was the benefactor to All Saints Fabric fund on his death.

Quite recently, Wednesday 13th September we had some bell ringers from, Breedon-on-the-Hill, (Notts and Leics ringers). This visit was arranged some time ago, by Mr John Cooper, from East Leake, Notts. His colleagues were:- Valerie Baxter, Belton, Leics; Brynley Richards, Warsop, Notts; Hazel and Don Jones, Eckington, Derbyshire; Derek Butterworth, Giltbrook, Notts; Martin Welch, Coleorton, Leics; Geoff and Margaret Herriot, Swindon, Herts; R.Philip Graves, Hickling, Notts; Ros Graves, Hathern, Leics; Sue Barnett, Breedon on the Hill, Derbyshire; Christine Langton, Bramcote, Notts; Stuart Brown, Blidworth, Notts; and June Stanley, East Leake, Notts; The ring arranged to commence @ 11-15a.m. I assumed the ring was to be a quarter-peal.

Thirty minutes before the time of the arrival of the ringers, I learnt of the sudden death of Doris Smith through her son David. As it was too late to abort the ring, I asked David if he would accept the ring to carry on, as a dedication to Doris's life, this was put to the ringers, who expressed their sympathy prior to the ring. I would also, from all in the belfry, give our condolences, to Ron, David and Sally.

In more recent times, the P.C.C have had installed an audio system which has improved the Church's natural acoustics,

Please make a note in your diaries, with the intention of attending the **Harvest Thanksgiving Service on October 1st @ 11-15a.m. followed by The Harvest Luncheon**
