26/500617/SUB	Land At Old Ham Lane Lenham Maidstone Kent	No Comment
26/500618/SUB	Land At Old Ham Lane Lenham Maidstone Kent	No Comment
26/500699/SUB	Land South Of Lenham Heath Road Lenham Heath ME17 2BP	We note and support the comments of the environment officer in respect of conditions 13 & 14. It has been reported to us that traffic moving East on the Lenham Heath Road Hill has been confused by the existing lighting into thinking a car was approaching. The question of acceptable levels of lighting needs to be reconsidered in detail.
25/504974/FULL	Land On South Side Of Lenham Heath Road Sandway Kent ME17 2HX	We note and support the recent comments from neighbours who have challenged this application both from the viewpoint of them not being informed in writing about the application and challenging the “gipsy” status of the applicant. We had additionally been asked to comment about the change of description now proposed, to eliminate the 3 year limit in the original application which we had specifically asked in our previous comments should be an imposed condition. We are still of this opinion and are now asking that if the planning officer is of a mind to accept this change that the application should be called into committee.

26/500779/AGRIC	Homelands Lenham Heath Road Lenham Heath Kent ME17 2BS	We do wonder about the anomaly of this application, as the applicant does already have access to barns and other buildings which could be used for the storage of straw and hay. However we offer no comment or objection to this prior approval as worded, other than we assume an appropriate condition in respect of drainage will be imposed as this was not covered by the application.
26/500739/AGRIC	New Shelve Farm Ashford Road Lenham Kent ME17 2DS	No comment.
