Issue Details

Location of Issue:	This property is adjacent to Tesco and has access off the service road which also leads to the flats behind Tesco to Chapel View
Community Area:	Wootton Bassett & Cricklade
Parish or Town Council:	Lyneham and Bradenstoke Parish Council
Nature of Issue:	
There is a yellow hatched area with KEEP CLEAR which is supposed to help with vehicular access which is frequently blocked. This is on private land so there is probably nothing that the Parish Council nor Wiltshire Council can do, however there are also issues with vehicles blocking the entrance to this roadway from the main road, and also parking too close to the exit which makes visibility and therefore road safety much more difficult. Access to the properties to the rear of Tesco could put lives at risk and the lack of visibility exiting the property also causes considerable danger to motorists	
How long has it been an issue?	Unknown as not stated but perhaps since the Tesco building was established.
What would you like done to resolve this issue?	
That Wiltshire Council reviews the road layout at that junction to improve visibility and to remove the possibility of the access being blocked.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes
