Policy Issues

Although not on the agenda the Chair raised the recent appeal decision that dismissed the Barncroft Appeal. The committee welcomed the news. Appeal decisions

8. Local Plan modifications

Clerk outlined the process for plan making and the current stage that EBC's plan was at including the briefing for Parishes on the 9th June.

The Chair outline the 3 policies pertinent to Hamble:

Hamble Halt Car Park – still a policy to develop a parking facility adjoining the Hamble halt Station via the Police College access road.

Mercury Marina – the original policy saw the development of the site to include a hotel. As part of the Local Plan consultation MDL requested a change to the policy which would see the removal of the Hotel from the policy with instead a range of improvements to the current facilities (including community facilities) in return for an allocation of housing that would enable the investment to take place. At examination EBC rebutted the residential element of the scheme and as a result further work was required by the Inspector resulting in a further hearing in January 2021. The outcome of this is a revised policy that still

seeks improvements to the marina activities, public slipway, holiday accommodation and car parking, nature conservation (including the Mound – with potentially public access) and measures to protect adjoining neighbours.

Gravel extraction – application for gravel extraction is now expected at the end of the year. After a lengthy discussion it was agreed that the council should focus its attention on minimising disruption during the period of works and making sure that the remediation of the site maximises the benefits to the community.

9. Other work streams

Neighbourhood Plan – The decision made in May 2019 not to pursue the Neighbourhood Plan should be revisited once the Local Plan is position is confirmed.

Conservation area and design – a request is outstanding with EBC for an officer to work with the committee on aspects of design related to the conservation area.

10. To consider passing a resolution under Section 100A(4) of the Local Government Act 1972 in respect of the following item(s) of business on the grounds that it is/they are likely to involve the disclosure of exempt information as defined in paragraphs 1, 2, 3 of Part 1 of Schedule 12A of the Act.

The Schedule 12A categories have been amended and are now subject to the public interest test, in accordance with the Freedom of Information Act 2000. This came into effect on 1st March 2006.

It is considered that the following items are exempt from disclosure and that the public interest in not disclosing the information outweighs the public interest in disclosing the information.

Meeting finished 20.37

Proposed: Cllr Underdown Seconded: Cllr Nicholson

And the Committee moved into exempt business
