Mr N Tustian
Chief Executive
Eastleigh Borough Council
Eastleigh House
Eastleigh
Hants
14th May 2019

Dear Nick,

Council met last night and have asked me to reply to your letter.

Firstly, they are disappointed with your reply and its failure to address the very real concerns about injury and the potential for a fatal accident arising from swimming in the exclusion zone. The letter also failed to deal with the specific issues raised about the withdrawal of the PSPO which followed extensive partnership working. As a result of that they have asked that we now seek a freedom of information request on the following points:

- All information relating to anti-social behaviour on Hamble Foreshore since June 2018.
- All information relating to PSPOs in the Borough since June 2018
- All information relating to the policy of managing anti-social behaviour within Hamble Parish since June 2018.
- All information relating to the withdrawal of the consultation on the PSPO at Hamble up until today's date.
- All information that identifies the need for a review of the policy that led to the withdrawal of the PSPO and the specific information relied upon by the Chair of the Local Area Committee in making the decision

I am happy to receive the information in electronic format.

From discussion with Hampshire Constabulary I understand that they are due to look at a rolling programme of dispersal orders during the summer period to deal with the absence of a PSPO. Given the extensive discussions that have already taken place to identify a PSPO as the most appropriate route, members did not see any benefit in discussing other alternatives, although we remain open minded if you want to come forward with a viable suggestion.

Yours sincerely

Amanda Jobling
Clerk
