Internal Audit Report for Tendring Parish Council

I am pleased to report that I have completed my Internal Audit for the Parish Council for the period 1st April 2022 to 31st March 2023. The Audit was carried out on 12th April 2023.

Members should be aware that my work cannot be relied upon to identify the occasional omission or insignificant error, nor to disclose breaches of trust or statute, neglect or fraud which may have taken place and which are the responsibility of the Members of the Council to guard against.

Members will be pleased to know that I did not find anything major in my audit to report and that I found the record keeping to be of a very good standard. The issues raised need to be considered by the Council during the financial year. It is very good to see that the Council has entered into a full training programme.

I would like to record my appreciation to the Clerk of the Council, Rachel Edwards for her invaluable assistance during the Internal Audit.

Items Raised by the 2021/2022 Audit

1. It should be noted that a Vice Chairman of a Council is not elected but appointed and that they do not sign a Declaration of Acceptance of Office because the office does not formally exist

Noted

2. The general reserves at £23667.36 are high for a council precepting £13000.00 a year and the Council should look at agreeing a reserves policy. PKF Littlejohn, the External Auditor, suggests a general reserve of 50% of precept. The Council should consider earmarking monies (such as S106 payments that will not be spent immediately), which would have the effect of reducing the level of the general reserve

Noted

3. Any grant paid with the precept by Tendring District Council should be entered into Box 3 and not Box 2 on the Annual Accounting Statement

Noted

4. The bank statements/reconciliations and the accounts/monthly balance/comparison reports are not presented to the Council meetings. The Council needs to investigate introducing the circulation of these documents and the minuting of the same

The Council has agreed to carry this out

5. An Internal Financial Control document should be investigated

An Internal Financial Control document was investigated and adopted at 9.22.1779 on 26th September 2022

Items Raised by the 2022/2023 Audit

1. The Council agreed its Precept figure but was not able to agree its budget until May 2022. This means that the Council did not have a proper budgeting process in place, as the Precept should come out of the budget
2. The Council did not review and agree its Asset Register within the year under review. This means that the figure entered onto the AGAR may be incorrect
