

## Parish Plan Update LOTTERY FUNDED

The format of the questionnaire was recently finalised and it has now been printed. It will be hand delivered to and collected from all households in the Parish. This will hopefully take place April with collection two weeks later. The questionnaire seeks to gather views and opinions from Parish residents about a wide variety of topics that affect everyone one of us who live here. The completed questionnaires will remain confidential and will not be seen by either the Parish Plan Steering Group (PPSG) nor the Chadwick End Parish Councillors. Stratford District Council (SDC) have been commissioned to handle this process to maintain confidentiality. The results from the completed questionnaires will be analysed by SDC and supplied to the PPSG. These views and opinions will help to form the basis of the Parish Plan, which will be compiled by the PPSG. It should be ready for publication in Autumn 2016. Could we ask for two things please: 1) Please fully complete and return the questionnaire, your answers

and views are essential. 2) If you are willing to deliver/collect some questionnaires in your street or locality, get in touch with Hilary our Parish Clerk.

## Precept

You will have by now seen the precept requirement in your council tax statement. The parish council are working hard to improve the quality of your environment in Chadwick End but we need resources to help us to achieve this. Over the forthcoming year we will be undertaking an ongoing programme of work to the trees in the recreation ground. It is important that these remain safe for all users of the open space. In addition, the council need to maintain and improve the facilities at the Village Hall. Whilst money raised from various community events will be used to support some of these improvements, Councillors are also looking at a new kitchen in the building in order to improve lettings.

## Flooding and Clean Up

In February, the village was again affected by flooding. Unfortunately this caused water to come into the village hall before the flood barriers could be put in place. Fortunately there was only a need to clean the building and allow it to dry out. Thank you to the councillors who saw the problem and acted promptly in ensuring the water could escape and not cause further damage.
