GDPR

What is GDPR?

The General Data Protection Regulation is a European Union regulation on information privacy in the European Union and the European Economic Area. The GDPR is an important component of EU privacy law and human rights law, in particular Article 8 of the Charter of Fundamental Rights of the European Union

Plymouth Life Centre Indoor Bowls Club (PLCIBC) are committed to protecting and respecting your privacy. For any personal data you provide for the purposes of your membership, PLCIBC executive committee is the Data Controller and is responsible for storing and otherwise processing that data in a fair, lawful, secure and transparent way

Reasons we need to process your data include

For membership and club management

- processing of membership forms and payments;
- sharing data with committee members to provide information about club activities, membership renewals or invitation to social events;
- club newsletter promoting club activity; and
- publishing of match and competition results

How long we hold your personal data

We will hold your personal data on file for as long as you are a member with us. PLCIBC data is updated every year on annual membership forms. Any personal data we hold of you will be securely destroyed on leaving PLCIBC.
