

Ref & Location	Description	MPC Action & Outcome
<p>OL/TH/16/1752 Land At Haine Lodge, Spratling Lane, RAMSGATE, Kent</p>	<p>Outline application for the development of 14 houses and retention of existing dwelling with access from Spratling Lane</p>	
<p>F/TH/16/1736 Birchington Vale Caravan Park, Shottendane Road, Birchington, Kent</p>	<p>Change of use of land from touring and tent camping site to stationing of static caravans</p>	<p>No objections</p>
<p>OL/TH/16/1765 Land Adjacent To Salmestone Grange Nash Road MARGATE Kent</p>	<p>Outline application for residential development of up to 250 dwellings and alterations to the surrounding highway network, including details of Access with all other matters reserved (Appearance, Landscaping, Layout, Scale)</p>	<p>We have considered this application and think that the density of the planning is too high for this area, and the already congested roads will make the area a no go zone.. A further roundabout near the crematorium/tip will cause tailbacks to the shottendane junction. Shottendane Road should be the main road and the idea of making Manston Road the major Road through will cause gridlock at the Museum junction.</p> <p>Manston Parish Council would object to this application</p>
<p>Queensdown Equestrian Centre, Castle Mayne Avenue, Birchington, Kent</p>	<p>Erection of cabin for site office and associated equestrian purposes</p>	<p>I have seen this mobile already as it has been in situ for quite a while. The only comment I would make is that there is no connection to the foul sewer, so I presume a caravan type toilet will be used. Not ideal.</p>
<p>Manston Court, Manston Court Road, RAMSGATE, Kent L/TH/17/0096</p>	<p>Application for Listed Building Consent for repairs to the existing roof</p>
