

## **Wolverton Action Plan Update - 6/1/2016**

**Overall Status** – steady progress but still two actions yet to start.

### **Progress of note since November:**

Paths, Verges and Hedges etc - Stuart Easterbrook update.

Community Speed Watch – more monitoring sessions held, 3 caught, new site near school approved. Team is well organised and procedures very well documented by Geof Miller.

Volunteers found for Wolverton Fields – Jez (surname?) for flooding and June Mathias for paths and verges team.

David Wilton has started on draft for registering the church hall a community asset, waiting for consent on access to accounts.

Advert prepared for Parish mag for Neighbourhood Watch Lite.
