Finals Day was a great success with 14 different players competing, many for the first time. The weather was kind, the bring and share tea delicious, and the chat between bowlers and friends also enjoyed.

Congratulations to everyone who took part, please check out the Photo Gallery 2023 for photos of the Winners. Thanks to Judith Bish for being our Finals Day photographer.

Many thanks to John Coleman for making sure the competitions ran smoothly. John made the following comments...

*"Big thanks to secretary, Sue Woollams who kept communications to all competitors prompt throughout the season. The food was amazing, and the markers did a wonderful job. Helpers got the equipment ready for play and packed away quickly at the end. The green is the best in Yorkshire."*

As this year's bowling season draws to a close we can look forward to some great games in 2024.
