LOCKING UP

All club members are responsible for the locking up of the Burns Pavilion and green if in attendance after 4.30pm.

Dear Members

It doesn't seem possible that a new outdoor season is nearly upon us but we are sure that you, like us, are keenly looking forward to some great games on a green for which we can be justifiably proud.

As ever we have a full programme from casual spoon drives, friendly games against other Clubs, County and St Albans & District matches plus our own Club Competitions and Events

Whatever your standard of play we do encourage you to come and join in, especially the friendly matches and Club Competitions. You can put your name down to play in the clubhouse or through our on-line booking system which you can get to from our website. As we all need some help from time to time to play at our best don't forget we have qualified coaches in the Club willing to help at any time, as well as 6 coaching evenings. The Members area of our website also gives information on the laws of the game, etiquette and roles and responsibilities.

Our major change this year is the introduction of an all-inclusive membership fee which means we will not be charging rink or refreshment fees for any of the spoon drives or friendly matches. Bar excluded (of course!) This cuts down the overhead of handling money and minimising bank charges. We will still need to cover extra costs for events such as Gala matches and other special events as well as County and District League matches.

So we all look forward to welcoming you to a new season and some great bowling.

Mike

On behalf of North Mymms Bowls Club Committee
