As yet, we have heard nothing from TfB. Clerk to get in touch again.

5. **Clerk's information items**

Defibrillator

Clerk to contact L & Q to see if they would agree to having the device on the wall of the shops; apparently the cost of electricity supply would be very minimal.

Also Clerk to get in touch with BT to see if they would agree to have the device in or adjacent to the phone box.

6. **Finance**

To note Finance report

Report noted, cheques signed.

Budget 2019-20

Clerk and Paul Miller to work together on the budget figures for presenting to PCs before the January meeting

7. **Planning**

To note report – DB detailed applications, and report noted

8. **Street Lights/BLE**
TB and NC to meet with BLE regarding the contract
9. **Hedgerley Magazine** –
The latest issue is out. PCs are very impressed with how the magazine has been produced.
10. **Property**
Play area – the safety report has been done. PCs would like a meeting with HAGs to ask for ideas on extra/new play equipment
Electric charging points – no longer for discussion as the cut off date was after the last meeting, so too late to consider anything on this
11. **Slade Farm** – update on public meeting
TB said that it had been a very small turnout with seven people in attendance. For the March/April commencement of the works, initially for the archaeological survey, it was agreed the first meeting of the liaison committee would convene shortly after this.
12. **Meetings**
To report on – public meeting to update Slade Farm, 19th November – as item 11.
To attend – nothing at this time
13. **Date of next meeting**
Monday 14th January 2019 , Memorial Hall, 8.15 pm.
