Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **Balderton Parish Council - NT0008**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Please see below.

Other matters not affecting our opinion which we draw to the attention of the authority:

We are unable to complete our review work on the AGAR and supporting documentation as a result of correspondence received in relation to 2022/23 and/or prior years. Once we have finalised our review and completed any additional work arising from that correspondence, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

3 External auditor certificate 2022/23

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

We do not certify completion because:

We have received correspondence bringing information to our attention that we must consider before certifying the completion of our review and the discharging of our responsibilities.

Final External Auditor Report and Certificate 2022/23 in respect of Balderton Parish Council NT0008

Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor's limited assurance opinion 2022/23

On 26 September 2023, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2023. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 2 has been incorrectly completed; in our view it should have been answered 'No'. The smaller authority has breached its standing orders as follows:

- The Council has routinely been confirming committee minutes as a true record, rather than receiving the minutes and considering recommendations, as per its standing orders. Although minutes are not a verbatim record of the meeting, well-written minutes should be brief yet informative; factual; accurate; relevant; logically presented; and, importantly, include a clear record of resolutions (including recommendations) including those made in confidential session.

Other matters not affecting our opinion which we draw to the attention of the authority:

We received challenge correspondence in relation to the 2022/23 AGAR which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

Following the receipt of objections to the 2022/23 AGAR, the Council investigated its actions at the approval meeting. It accepts that the AGAR approval process was not carried out correctly and has amended the response to Assertion 1 to declare this fact.

One of the matters arising from the additional work as a result of the objections to the AGAR was in respect of the wording of the agenda items, including those to be taken in confidential session. The Council should ensure that all motions on the agenda, and only those items, are considered at a meeting. It is recommended, but not a statutory requirement, that motions or items of business to be taken in confidential session are also included on the agenda.

External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
