023/26 - Declarations of Interest relating to this meeting.

No declarations were made.

024/26 – Reports

Cllr. Colin Stanford reported that the government has made an exceptional grant of £71 million to Shropshire Council to tide it over for this financial year: it will attract interest of 5%. Cllrs Orme and S Pratt enquired how this debt will ever be paid, despite SC raising fees for everything, such as car parking, licences and council tax. Cllr. Stanford was unable to say how the debt would be repaid and reiterated that child and adult social care consumes a huge proportion of SC's income and until the Treasury increased its grant to deal with this statutory requirement, the situation would remain unresolved.

He has had a meeting with managers from the Highways Department, including Mr David Basmer a Highways Portfolio holder, and emphasised with them that the flooding in the dip at Harton Holt (Tom's Dip) must be remedied. Next time he meets them he will ask them to ensure that Closed signs are removed as soon as roadworks are finished.

The Cabinet continues to debate the eleven options about the future of the Shirehall and a decision still has not been reached.

He has been asked to become a Governor at Rushbury School.

025/26 - Public question time

No members of the public attended the meeting.

026/26 – Approval of Minutes of Parish Council Meeting on 16th February 2026

The Minutes of the Parish Council's Meeting held on 16th February 2026 had been circulated and considered by the councillors. No objections were raised to the Minutes.

Cllr. S Pratt **proposed** that the Minutes of the Parish Council Meeting of 16th February 2026 be approved by the councillors.

Proposal **seconded** by Cllr. Pugh

Vote: Proposal approved unanimously

027/26 – Matters arising from the Minutes of 16th February 2026

023/26: The Church Stretton Neighbourhood Plan was discussed briefly at the last meeting. Councillors have now had more time to study it. They are concerned at the scale of proposed development as the infrastructure in Church Stretton can't cope as it is - it is difficult to get an appointment with a doctor or a dentist. They are disappointed Scrappies is being closed and are concerned at the lack of provision for youth; the dance school has moved, the leisure centre is inadequate and expensive. It is proposed that 33% of new housing will be affordable, but given the local need it should be 50% and should have a local connection proviso. Cllr. Stanford advised SC won't have a new Local Plan until 2028. Cllr. Orme reported that he understands some house builders are unable to build new houses in England, where the average price is £300,000, and make a profit, thus some large housing building firms are selling off land which they had land banked rather than building homes.

028/26 - Correspondence/Communications

Councillors considered the following items of correspondence:-

1. Bundle of documents emailed to Councillors concerning the "Church Stretton Town Council's Stretton Neighbourhood Plan, Regulation 14 Consultation – Request for Comments". Comments have to be submitted by 31st March 2026

by post to the Town Council, or by email – support@csneighbourhoodplan.com

2. Email from Cllr. Colin Stanford attaching details of the New Asset Transfer and briefing document from Cllr. James Alderson of Shropshire Council entitled Shropshire Council launches new policy to empower town and parish councils. It is essentially a request from SC for town and parish councils to take over some of SC's services.

9. Emails between Clerk, Cllr. Stanford and various people at Highways in an effort to get Tom's Dip drains cleared and to obtain a map of the drains. No response from SC about the map of the drains' layout. Cllr. Stanford has been told the drain is to be jet blasted – no indication when this will occur.
10. Notification from Cllr. Orme that the "Ticklerton" entry sign by Bank House in Ticklerton is missing. although the posts remain in situ. Endeavouring without success to contact SC for a replacement. Looking at options for replacing it. Cllr. Orme to investigate a firm in Craven Arms. Acton Scott has been waiting five years for SC to replace road signs. Clerk checked back through her files and finds she contacted SC about the missing sign in May 2024 – no response.

Responses to Correspondence: Item 10

Cllrs, Orme and Davis agreed to get the missing sign in Ticklerton measured, ordered and relaced. The parish council will pay for it. We have been waiting two years for SC to replace it.

029/26 - Highways, footpaths and environmental matters

The two broken bridges across the stream between Eaton and Rushbury were discussed. SC will be asked again to repair them. Cllr. Joseph has noted that potholes

in Common Lane, Soudley have been circled with white paint so it is hoped they may soon be filled.
