Westridge Studio was bequeathed to the community of Highclere by Miss DR Gribble. The Studio was refurbished to a high standard so that it is low maintenance. However, to prosper it needs to be used and supported by the residents of Highclere. Covid-19 is affecting some of the activities that were planned to take place. However, this has created new opportunities for other activities where social distancing can be observed:

Book clubs, Art Groups, Art Exhibitions, Meditation ... it is your facility. If you have ideas, and you are willing to organise the activity, please email [westridgestudiomarketing@gmail.com](mailto:westridgestudiomarketing@gmail.com)

**Westridge Trust** providing facilities aimed at improving the conditions of life (*including good health and wellbeing*) through the Arts (*in its many forms*).
