NM114-25 Minutes
The minutes of the Meeting of the Parish Council held on Monday, 11th November 2024 were accepted as a true and correct record.

NM115-25 Planning
22/01983/FULM – Land at Foxholes Farm, Bathley Lane – Construction of solar farm with associated works, equipment and necessary infrastructure
The Chair referred to a submission compiled by Councillor Hobbs and circulated to Members for consideration.

Members noted that if both the Foxholes and GNR Solar Park applications were successful there was potentially a 30 month construction phase that would impact on the community.

After discussion, it was proposed by Councillor Hutchings that the submission circulated and read to the meeting be accepted and submitted to Newark & Sherwood District Council as an objection. This was seconded by Councillor Talbot and unanimously AGREED.

Additionally, it was proposed by the Chair that the questions raised within the submission with regard to the cumulative effect be sent to the Director of Planning, Chief Executive and Chair of the Planning Committee at Newark & Sherwood District Council. This was seconded by Councillor Hobbs and unanimously AGREED.

The Clerk was asked to work with Councillor Hobbs to formulate the letter regarding the cumulative impact to Newark & Sherwood District Council.

Councillor Mrs Saddington suggested consideration also be given to circulating the information to all Members of the Planning Committee.

NM116-25 Date of Next Meeting
