URGENT APPEAL FOR HASTINGLEIGH VILLAGE CHURCH!

Beginning in May, if you go down to St. Mary's church at Hastingleigh, you will notice that building is starting on its north side.

For a number of years, the Church Council has thought that there should be a loo at the church (as it is so far to a public toilet), and we want to make it easier for less able people to get into the building.

Our church architect, George Denny, has worked tirelessly with Ashford Borough Council, the Church and Archaeological authorities to get this permission, and now we are ready to start building.

When finished, the church will have toilet, kitchen and, most importantly, disabled access, thus greatly increasing our ability for everyone to use the church, and for a wider range of events, not just services.

We have managed to raise enough money to start the project, but we need help with raising the rest, so that we don't have to dip into our Fabric Fund. Any amount, no matter how small,

would be greatly appreciated.

An appeal leaflet with more details was enclosed with the May magazine. If you know of anyone outside our villages who might be interested in contributing, please let me know.
