

Portsmouth & District Leagues

Season 2016

As we near the start of the 2016 season, it's time I sent you a reminder of how your club needs to let Martyn & I know the results of your matches as well as how to send us the score cards from those games. I've also included a few other salient points which your team captains should take into account, so I hope the following pages are prominently displayed in your club house.

Martyn & I wish you all the best of bowling for the forthcoming season.

Player Registrations

By now I should have received your club's initial set of player registrations – for those who haven't sent me your list yet, please remember I MUST have them by Sunday 17th April.

If you wish to add new players to your list, then either EMAIL me the name(s) or ring me on (023) 9261 9385. Remember, new players will ONLY be eligible to play in League Matches 2 days AFTER their Name has been registered with me.
