- powers.
  - There are no ladies toilets in the changing rooms.
  - There are no disabled toilets downstairs.
  - The only disabled access to the upstairs is a very long ramp which would be very difficult for a wheelchair user to be pushed up let alone trying to go up it by themselves.

- A full lighting proposal should be submitted prior to any works commencing, and suggested that all external lighting be turned off at 10pm at the latest.
- Noise pollution is another concern.
