

ELHAM PARISH COUNCIL

INTERNAL AUDIT REPORT 2016-17

I am pleased to report to Members of the Parish Council that I have completed my internal audit of the Parish Council's records for 2016-17 and have been able to complete Section 4 of the 2016-17 Annual Return.

Members should be aware that the audit tests that I undertook during the audit cannot be relied on to identify the occasional omission or insignificant error, nor to disclose breaches of trust or statute, neglect or fraud which may have taken place and which it is the responsibility of the Members of the Council to guard against through the Parish Council's internal control procedures.

Members will be pleased to know that I did not find anything major in my financial audit to report and that I found the record keeping to be of a good standard and the Parish Council's approach to the management of risks to be sound. As a result of my audit and my discussion with your Clerk I was able to answer 'YES' to all the relevant questions contained in Section 4 of the Annual Return for 2016-17.

I would like to take this opportunity to thank your Clerk for the assistance given to me in the conduct of the audit that took place on 26 June 2017.

PREVIOUS AUDITS:

External Audit Certificate 2015-16:

The External Audit Certificate for 2015-16 (Section 3 of the Annual Return) was qualified and had comments not amounting to a qualification.

I was unable to find a minute indicating that the report had been reported to or considered the Council.

It is a requirement (under the Accounts & Audit Regulations 2015) that reports from the external auditor are considered by the Council. In discussing the issue with the Clerk it seems that the auditor's report may not have been taken to Council and we agreed that the auditor's report should be taken to the next Council meeting.

Internal Audit 2015-16:

There are no matters outstanding from the 2015-16 audit.

FINDINGS THIS VISIT:

During the visit I carried out sufficient work to enable me to complete Section 4 of the Annual return which included reading the minutes, checking the accounting records including the cashbook, payroll, VAT records, bank statements and bank reconciliations with the cashbook. I also reviewed the asset register and insurance schedule.

I found all the financial records to be accurate and up to date. There were no unexplained entries in the bank reconciliations.

The Council minutes for the 2016-17 precept refer to a sum of £17,000 while the actual amount intended, exclusive of grants, was £16,248. Moreover, the minutes for the 2017-18 precept refer to an increase of 5% without stating the amount. The precept is legally a demand on the billing authority (Shepway DC) for a sum of money and the resolution adopting a precept should specify the sum required.

The 2015-16 auditor's report required a number of changes to the 2015-16 comparator figures to be entered on the 2016-17 return but did not explain fully. In addition there was a problem with the figures for the 2016-17 return in that the balances did not reconcile to cash. Together the Clerk and I were able to resolve these issues and have amended all the relevant figures on the 2016-17 return. We also amended the figures for asset values to comply with the external auditor's preference for historic cost accounting.

1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor report (KE0094)

On the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

- The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests.
- The smaller authority has not provided an adequate explanation for the variance between the prior and current year values in Box 3 and Box 6 of Section 2.

3. 2016/17 External auditor certificate

We certify that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017.

Guidance notes on completing the 2016/17 annual return

1. You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent work by the auditor. NALC, SLCC and ADA have helplines if you want to talk through any problem you encounter.
2. Make sure that your annual return is complete (i.e. no empty highlighted boxes), and is properly signed and dated. Avoid making amendments to the completed return. Any amendments must be approved by the smaller authority, properly initialled and explanation provided. Annual returns containing unexplained or unapproved amendments may be returned and incur additional costs.
3. **Smaller authorities must approve Section 1 on page 2 before approving Section 2 on page 3.**
4. Use the checklist provided below. Use a second pair of eyes, perhaps a Councillor or Board Member, to review the annual return for completeness and accuracy before sending it to the external auditor.
5. Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must tell the external auditor about any change of Clerk, Responsible Finance Officer or Chair.
6. Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your smaller authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the accounting statements (Section 2 on page 3). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
7. Explain fully significant variances in the accounting statements on page 3. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a complete numerical and narrative analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
8. If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
9. **You must inform the external auditor of the date set for the commencement of the period for the exercise of public rights.**
10. Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2016) equals the balance brought forward in the current year (Box 1 of 2017).
11. Do not complete Section 3 which is reserved for the external auditor.
