Coronavirus/Covid-19

We need your help and perhaps you need our help

We, the Parish Council, would like to play our part in helping our community through the current coronavirus crisis. We think we can do this best by helping to coordinate whatever action you need us to. In order to do that we need to know two key things:

- What do you need help with?
- What help can you offer the community?

We are **not** here to replicate what others are already doing, to replace the health professionals who are already working so hard for us all or to add to the detailed advice already being provided by the layers of government above us. We **are** here to fill in the gaps.

We have established a dedicated email address and phone number (manned from 7am to 9pm every day) which are at the top and bottom of this leaflet and look forward to hearing your answers to the two questions above. There is also a box for messages in the Village Shop for those who wish to communicate in that way. In addition, all this information and further details will be published and updated on the parish council website regularly.

The sorts of assistance we foresee you offering and receiving are as follows:

- Shopping, both routine and urgent
- Collection of prescriptions
- Interacting with local authorities
- Safe friendly contact
- Information about others nearby who may benefit from our help

This list is by no means exhaustive and no question will go unanswered so please do not feel constrained in what you ask or offer. Please use the form overleaf to reply, whether by filling it in and dropping it off at the Village Shop, or by scanning or photographing it and sending it by email, or as a prompt during your phone call.

Name:

Address:

Phone:

Email:

Please complete either the top part of this form if you would like to ask for some form of help or the bottom part if you wish to volunteer some form of help. Please only give as much contact information as you are happy to. The Parish Council will treat all personal information with care.

I would like to ask for help

The help I need is:

- Shopping, both routine and urgent
- Collection of prescriptions
- Interacting with local authorities
- Safe friendly contact
-

I would like to volunteer to help

I would happily volunteer to:

- Shop on someone's behalf
- Collect shopping or prescriptions
- Offer information about others who may need our help
- Check in on someone
-

Please return to the drop box at Fletching Village Stores or contact the Parish Council via either the email address or telephone number.
