The Clerk explained that the Community Infrastructure Levy was obtained from development of new Marketable Housing within a Parish and 15% of the contribution would be payable direct to the Parish Council each year provided there had been some development within the Parish to help fund local Recreational Capital Schemes, 10% would be for County-Wide Strategic Schemes, 5% for Administration and the remainder for Local Infrastructure Schemes included with the Ludlow and Rural Area Place Plan.

There was some concern about vehicles parking on the pavement in parts of the village and that consideration should be given to narrowing the verge along the boundary of the Village Hall Field to provide some additional parking facility, the Clerk will ask Shropshire Council highways for their views.
