c. Grant Applications

- Benenden's applied for a grant of £8,805 for numerous capital items. The Resourcing Committee considered the application and recommended a grant of £4,200 to the Parish Council for the most urgent items the Shop requires. **This was unanimously agreed**.
- BVT approached BPC regarding tree works which are required at Benenden Recreation Ground.
- Honey Fungus has been found to be affecting many of the trees along the north side of the Recreation Ground. Trees affected by Honey Fungus must be removed along with the stumps and roots and must be destroyed by burning or sent to landfill. The area must be left fallow for 6-12 months to ensure that the fungus dies. Of the 22 trees on the north boundary, only 4 are in good health.
- BVT has no option to carry out the work and will be explaining in the village magazine what will be happening and why.
- The priority is to remove all the diseased trees and risings on the northern boundary of Benenden Recreation Ground, cost £2,345 net/£2,814 gross; to carry out soil analysis £125net/£150 gross; soil treatment of the 4 healthy trees £480net/£576 gross. TOTAL £2,950 net/£3,540 gross. BVT was looking to apply for a grant for £3,540.
- Separately, at Iden Green Recreation Ground there are 4 dead trees (not affected by Honey Fungus) which will need to be removed, but this is less urgent. Cost £1,095 net/£1,314 gross.
- The Resourcing Committee recommends that on this occasion BPC takes on the contract to carry out all the current tree work at a cost of £4,045 net to BPC. **This was unanimously agreed**.

Cllr Dawlings and the Clerk are following this up with TWBC on behalf of BVT. <p>d. <u>Clerk's Phone</u></p> <ul style="list-style-type: none"> • BPC is currently out of contract with its current telephone provider o2. • To upgrade to a new contract with o2 the tariff would increase from current monthly £10.95 to £25.83 (net). • Mobile phones available through o2, on a 3-year contract, ranged from £1,525 to £1,995.70. • At the time deals available through Amazon ranged from £549.17 to £832.50. • The Resourcing Committee agreed the purchase of a phone outright and at the current tariff. • The phone purchased cost £832.50 + £394.20 (3 year at current tariff) = £1,226.70, compared to an o2 contract over a 3-year period of up to £1,525, for a phone with lesser capacity and operating system. • BVT has contributed £250 towards the cost of the phone itself, which reduces the cost of the phone to BPC to £582.50. • The Parish Council unanimously agreed the purchase. | TD/CL |
| 9. ENVIRONMENT & MAINTENANCE | <p><u>Public Toilet</u></p> <ul style="list-style-type: none"> • There have been issues with the toilet door handle. The handle wasn't repairable and Cllr Grant fitted a new handle. The outer handle was working but the door could not be locked from inside. • Unfortunately a member of the public became stuck in the toilets and had no means to call for help. Significant damage was caused to the door, door frame, brick work, locking mechanism and timer. • Cllr Grant approached Canham Homes who attended the following day to carry out repair works. • The handle is now working, and the door can be opened and closed from inside and out, but it is not currently possible to lock the door. A notice is displayed at the toilet to this effect. • Cllr Grant to consider options so that in the event of an emergency a locked door can be opened from the outside. • The hand dryer is not working. The Clerk to contact an electrician. | PG CL |
