

FREELAND BROWNIES ANNUAL REPORT 2017

Freeland Brownies meet on a Tuesday evening from 5-6.15pm in term time.

At the moment we have 13 girls who participate in a range of activities from arts, crafts, games, badges and generally having fun.

Last term the girls enjoyed gaining the spy challenge badge, where they wrote secret messages in lemon juice, looked at fingerprints and finding which ones belonged to who, then making fingerprint animals and making mocktails were a few of the challenges they completed.

They made Mother's Day gifts, made and ate pancakes and finished off with pancake races, we've also done some Easter crafts and enjoyed an Easter egg hunt.

We enjoyed a District Thinking day event with all the other Rainbows, Brownies and Guides in the Freeland District.

Some of the girls went on a cinema trip to see Beauty and the Beast which they thoroughly enjoyed and this term we are doing a Division craft day with all the other brownies in the Division.

Hopefully this term we will be gaining a few more girls to join us at Brownies.
