<b>AGENDA ITEM 1 - APOLOGIES.</b>							
<b>0</b>	25/11/21	Apology for late arrival			Cllr Christopher	"I have a Dorset Council Committee meeting at 10 am but hope to be at Chideock Village hall towards the end of the parish council meeting"	
<b>0A</b>	28/11/21	Apology for late arrival			Cllr Anna Dunn	Cllr Anna Dunn will be late due to an appointment.	
<b>0B</b>	29/11/21	Apology for non-attendance			PCSO Bishop	"I would have been in attendance tomorrow, but I am now working from home as my family have Covid, so I can help out. Fortunately I am continually testing negative, but please accept my apologies."	
<b>AGENDA ITEM 5 - DORSET COUNCILLOR AND POLICE REPORTS</b>							
<b>0C</b>	29/11/21	Report			PCSO Bishop	"Fortunately over the last month, there is nothing to feedback in Chideock. But elsewhere on the patch we had a couple of thefts of power tools from trade vans over this weekend. I would advise that if anyone in the village has a trade vehicle with such items inside, best advice is to remove any valuable items. Though I appreciate this is not always easy to do, it appears as though entry into at least one of the vans was not forced, meaning that the offender may have had use of a cloned key, meaning that even if the van is locked and has an immobiliser/alarm, this can be bypassed. Other advice is to reverse the van up to a wall or something else, so that offenders cannot easily get into the rear/side doors. Regards to all and if I do not see you before, have a very good Christmas."	Sent to all

<b>4</b>	16/11/21	Cash parking payment problem	Request	Out	Cllr Christopher	<p>"Chideock Parish Council writes to you regarding the notification from Dorset Council of the temporary hold on using cash in our local car parks when shopping in Bridport or any other Dorset town, due to a problem with the ticket machines.</p> <p>The guidance given presumes that many people have a smart phone, which is discriminatory. Of those who do have a smart phone, many object to having to enter identifiable personal information into a system with no evident accountability in this day and age. Again, discriminatory.</p> <p>The same concerns apply to paying by making a phone call from the car park or pre-registering with JustPark at home and paying by SMS when at the car park. In addition, both options presume ownership of a mobile phone.</p> <p>Does Dorset Council not understand the concern among elderly users of using "Pay and Display" car parks? Numerous times councillors have been obliged to explain to senior citizens how to make payment and that is just about the need to input the car registration number into the ticket machine. It is incumbent on Dorset Council to freeze charging until the cash payment option is restored. Or to, at the very least, waive fines.</p> <p>The problems with ticket machines being unable to take cash must be borne by Dorset Council and not users of the car parks.!</p>	Sent to all

As any changes to governance arrangements agreed by Full Council will not take effect until the next scheduled elections in May 2024, it is not anticipated that this 3 month delay will cause any issues.</p> <p>A link to the Full Council report will be sent to you when the report is published."</p>	Sent to all

<b>11</b>	05/11/21	Queen's Platinum Jubilee	Request	In	Friends of Clapp's Mead	"The Friends of Clapps Mead' are hoping to celebrate the Queens Jubilee on 4th June on the Clapps Mead Playing Field adjacent to Mill Lane in Chideock. This event will be 'hosted' by The Chideock Parish Council. Plans will include a large marquee, music, dancing for everyone in the village who wishes to attend. We aim to have a children's Party in the afternoon and perhaps use the marquee for village groups/arts & crafts on the Sunday. Preparations are still in the early stages but in the meantime we are looking to village groups for financial donations. A deposit has been made on the marquee and other facilities i.e. w.c.'s, disco, etc., have been booked. Time is of the essence as so many are already planning for this event. We anticipate the costs to be in the region of £2,600 which is a lot of money to be raised. We would respectfully ask the Chideock Parish Council to give financial support to our venture which will be a true 'village' event. Should you need any further information with regard to costs etc., please let us know."	<b>To be considered as part of the Budget setting agenda item.</b>

<b>14</b>	15/11/21	Air Quality Management Plan	Request	Out	Cllr Christopher	"As you know, Dorset Council is preparing a new Air Quality Management Action Plan, as required by Defra. Back in May 2021 Chideock PC was sent a draft of the plan for initial comment, on the understanding that the document would not be shared with the public. At that point, it was estimated that the public consultation would start late May / early June, for a 6-week period. A response to this draft was sent by Chideock PC on 28 May 2021. Since then, at least 2 dates have been given for the start of the consultation but it still hasn't happened. Chideock PC has not had any reply to the most recent request for an update, sent on 12 October 2021. 19	24/11/21	Dorset Council bin for Defra funding re PM <sub>2</sub> air pollution	Response	Out	Cllr Jull Haynes and others	"Thank you for your reply of 14 October regarding the bid by Dorset Council for funding from Defra regarding particular matter pollution. Chideock Parish Council wishes to point out that the burning of solid fuel is not the primary cause of particulate matter pollution in Chideock and other areas. The possibility of monitoring levels of particulate matter across the Dorset Council area is welcomed. However, to identify measures to reduce levels it will surely be necessary to determine the cause – is this possible? It will be pointless to advise residents to not burn solid fuel when the pollution in a particular area is generated by vehicular traffic. Please inform the Parish Council of the outcome of the bid, when known."	Sent to all

23	22/11/21	Foundry Lea Working Group	Response	In	Bridport Town Clerk	"I have consulted informally and the sense is that it would be difficult to include Chideock PC without then including a range of other parish councils – at present the membership is limited to those parish councils that contain or border the Foundry Lea site – Bridport, Symondsburry and Allington. In addition, whilst the meeting does receive updates on the Miles Cross junction, there is limited time for in-depth discussions – the detail of issues such as those you raise would most likely be taken up at separate meetings with the developers and National Highways (who are not represented at the meetings). However, I would be happy to raise your concerns with the developers at the next meeting and ask them to liaise with the Parish Council direct. I feel sure they would be happy to do this – although you may have their contact details already? Should there be at any point a decision to devote a working group meeting to the junction and A35 arrangements this might be an opportunity to engage you, and I will ask that this be considered too." <b>AGENDA ITEM 13 - DORSET RIGHTS OF WAY; DORSET HIGHWAYS; FLOOD MANAGEMENT</b>							
<b>35</b>		FP10/14 - Golden Cap Holiday Park, Seatown.	Request	Out	Dorset Rights of Way	"Approved planning application 1/D/12/000410 proposed a diversion of FP10/14 across Golden Cap Holiday Park, operated by West Dorset Leisure Holidays.. The decision notice said, under "Notes to Applicants": - "Diversion of Footpath 14 – The footpath must be diverted by legal order and that order must be confirmed before any works obstructing the path area are commenced." The plan submitted under 1/D/12/000410, showing the proposed diversion, is attached. Chideock Parish Council has received several reports from walkers who have been informed by West Dorset Leisure Holiday's employees that FP10/14 no longer exists and that they should use the "permissive" path by the river. However, as the Parish Council has not received any formal notice from Dorset Council of an Order for a diversion, it appears that WDLH is giving erroneous information to walkers. Please will you investigate."

36	16/11/21	FP10/14 - Golden Cap Holiday Park, Seatown.	Response	In	Dorset Rights of Way	"This development was approved in 2012 and as you are aware, the applicant was advised to divert the footpath in the decision notice but there is no evidence that they applied to West Dorset District Council at the time. Dorset Council has not received an application since then. During development the applicant should apply under the Town and Country Planning Act, once development is substantially complete the application needs to be submitted under the Highways Act. I have copied in both the Senior Planning Officer who has had dealings with this site and the Senior Ranger who is responsible for enforcing any breaches of public Rights of Way."

Your, very quick reply, same date @ 0802, stated that you had asked head of highways for an update. My email of 5 September 2021 @ 0539 asked when can I expect to see the report requested from head of highways. This email was not replied to and I have not received any report on the status of Hell Lane. I, and others in the village, are of the opinion that Dorset Council have no intention of doing anything to repair Hell Lane, allowing it to deteriorate to such a state that it could be said it is not economically viable to reinstate it. If that is the case, please say so, if it is not the case, please provide me, and the other interested parties, with a situation report regarding the future of Hell Lane. 45	15/11/21	Vegetation issues	Request	Out	Owner of Windyridge, Sea Hill Lane	Request that work is undertaken to clear the road verge to improve drainage and reduce flooding risk	

<b>46</b>	01/11/21	Water run-off Sea Hill Lane	Request	Out	Mr Everidge	"I attach photos showing issues with water in the ditch on the northern boundary of this field. There is a concrete parapet and water is building up to that level and then following over and completely missing the gully outside the gate, causing flood issues further north on Sea Hill Lane. Presumably there is a pipe to take the water under the concrete and straight into the drainage system, but if there is it is completely blocked with silt. Mick Downes (Councillor and Flood Warden) could push his rake down a significant distance through the silt. Chideock Parish Council would be most grateful if you would take a look at this and take action so as to stop the water running northwards downhill down Sea Hill Lane where it then has nowhere to go, which exacerbates other flood issues which the Parish Council is trying to address."	
<b>47</b>	04/11/21	Water run-off Sea Hill Lane	Response	In	Mr Everidge	"Thank you for the email correspondence with attached photos, that I have recently received from the Clerk. I refer to my email correspondence sent 14th April 2021, where I suggest that a meeting could be arranged to discuss the issues on site. However, I have not received a reply. To repeat and clarify: 1. Following protests from the residents on Pettycrate Lane, In 2006 West Dorset District Council directed water off Pettycrate Lane into the ditch around Home Cottage, which then follows the ditch around the field Welderly to the culvert on Seahill Lane. This water runs off Cumbrey Lane and Midland Farm's land to the North and West of Brook Cottage. 2. This increased volume of water cannot be met by the capacity of the underground pipe at the Seahill Lane culvert. This ditch water fills the culvert and overflows onto the road. Sediment, washed down by the increased flow of water around the ditch, settles out in the culvert. 3. There is no evidence that an assessment was made to ensure that the ditch and the underground pipe at the Seahill culvert could handle the increased volume of water. Thank you for your considerations to the above, my offer of a site meeting is still open."	
<b>48</b>	08/11/21	Water run-off Sea Hill Lane	Request	Out	Dorset Highways	"Please see the e-mail exchange below. I would like to arrange a site visit, to be attended by Dorset Highways, Mr Everidge, Cllr Downes (Flood Warden) and myself. Please let me know a suitable date and time."
