# Parish council

# Chairs update

Parish council meetings started again in early July in a virtual format using Zoom. A bit different from meeting face to face but it gave us the opportunity to ratify the decisions taken during the lockdown period. We have made our annual grants to the Sports & Rec Trust, Memorial Hall and Youth Centre early this year to help them with their cash flow. We were pleased to hear that Highways have finally given us permission to site our own portable Speed Indicator Device in various locations round the village for two weeks at a time: specific spots in North Street, West Street, East Stoke, and Montacute Road so we can now progress this project further. The SID will provide useful recorded data on average speeds which over a period of time can be submitted to Highways to evidence the need for further speed measures.

## No, it isn't true!

There is a Facebook video going around in which it states that the parish council got rid of the toilets in Stoke including the disabled one and that is why there aren't any toilets nowadays in the village. This is totally wrong! The small piece of land was owned by the Memorial Hall Trustees and was sold to Yeovil Rural District Council (now SSDC) in 1972 for them to build toilets for the benefit of the village. The District Council continued to maintain them for many years. In 2012 the District Council decided as freeholders that they would dispose of them as they were too expensive to maintain and sold them in a private sale, so depriving our village of a facility. Nothing to do with the parish council at all! Just wanted to put the story straight – important to get your facts right before you make strong statements!

#### Community venues are opening again

Now that restrictions have been eased, it's really good to see some of our village venues starting to open again! The Charity Shop and the Club are now open again with social distancing in place. We understand that the Memorial Hall is planning to open in early September when some of their regular groups want to return, although children's

parties are not yet allowed. All venues have had to complete COVID-19 Risk Assessments and ensure all the required posters, sanitisers and new cleaning regimes are in place for our safety.

The Youth Centre must remain closed for the time being as current social distancing rules mean that their activities cannot take place. However the Youth Team have been able to source some external funding so that support can start soon through much needed one to one sessions for vulnerable young people and for some small group work in Stoke and Norton and Lou Grant, the Youth Worker will be around in Stoke and Norton on Monday and Wednesday evenings. It is hoped that perhaps by October some form of 'normal' may able to be resumed. The Brownies are planning to hold their Tuesday evening sessions 'socially distancing' in the grounds of the Youth Centre once they get permission from the Guiding Movement. They have been holding regular weekly Zoom meetings throughout the lockdown but there is nothing like getting back together again!

# Shout out to the good Samaritans!

A gentleman was found unconscious recently in the Recreation Ground by a couple of lads. They had the presence of mind to alert a passer-by so that medical help could be called. The lads kindly stayed around to direct the paramedics to where the man was lying near the skateboard ramps. Well done to the lads for behaving in such a responsible fashion and showing care and compassion!

# Play Areas now OPEN

All play areas in the village - at the Rec, Memorial Hall Grounds and Stonehill are now open. Like the venues, risk assessments have been carried out and the required posters put in place. All equipment has been cleaned and checked over before opening by the Sport & Rec Trust and parish councillors.

Parents - please remember the 2-metre social distancing rule and to bring sanitisers! There are posters up in the play areas advising on the maximum number of children allowed on equipment to keep to the 2-metre rule.

#### Who can I meet and where?

We've been asked to clarify the current rules on meeting

- · Indoors it is currently up to two households only whether it is in our house or garden. That also applies to sitting together in a pub or restaurant. No groups of more than 30 people in total can meet in private homes - and no parties! Public venues are restricted as to the number of people they can have so as to allow social distancing.
- · Outdoors it is currently a group of not more than six people from different households, unless you are one family gathering with a maximum of 30 people.
- · And always 'social distance' wherever you can.

It is critical that you follow these guidelines to keep both yourself and others safe. The virus is airborne.

#### **Planning Applications**

The following are applications currently being considered by District Council:-

20/00992/OUT Off Mason's Lane Montacute - Outline application for 30 houses off the Link Road at East Stoke (actually Stoke land). The National Trust and English Heritage have now lodged objections and observations on the grounds that the site location is not appropriate for safe access, it would spoil the landscape close to heritage assets, and would have a major impact on both Stoke and Montacute. We also earlier lodged an objection on similar grounds.

20/0183/FUL Land rear of Princes Close Car Park - new house on waste ground. It would link to the Princes Close development. Councillors have no objections

# **STOKE BAND NEWS**

Due to a change in regulations for non-professional performing arts including brass bands stating we cannot play in groups even in the open air, the band has had to suspend practices again. Consequently, our 75th Anniversary concert in September will have to be cancelled. The band is really disappointed about this as they were looking forward to sharing this milestone. The band will also be unable to have a formal AGM in September as is usual. The band has not now had an engagement since February and other future engagements are also in doubt.
