

MOULSFORD VILLAGE SUPPORT NETWORK

**HERE TO HELP EVERYONE THROUGH THE
COVID-19 CRISIS**

Dear Neighbour,

If you are self-isolating due to Coronavirus (COVID-19), our team of volunteers can help you with:

- | | |
|----------------------------|-------------------|
| ◇ Picking up shopping | ◇ Urgent supplies |
| ◇ Picking up prescriptions | ◇ Posting mail |
| ◇ A friendly phone call | ◇ Dog walking |
| ◇ Online ordering | ◇ Simple errands |

A volunteer will be in contact with you soon, however if you need any assistance in the meantime please contact us on community@moulsford-pc.org.uk. *

You may feel apprehensive about asking for help, please don't. In such unprecedented times, it is important for our community to work together and our team of volunteers are only too happy to assist you.

You may also feel worried about how to 'settle up' for errands that require payment. Again, the volunteer will make arrangements you are both happy with before making any purchases on your behalf.

Please remember when in self-isolation avoid physical contact with others, keep a 2m distance and wash your hands frequently. Delivered items will be left on your doorstep (or agreed safe place) with delivery confirmed with you by phone.

You are not alone, please reach out to our support network. Together we will get through these difficult times.

*By contacting the Moultsford Support Network Group, you consent to the storage and use of your personal data for the purpose of receiving community help.

If you are a Facebook user, please ensure you have joined the Moultsford Village page where we will make any village announcements of note and share useful information.

Moulsford Events

Village Life

As Spring has approached we have been looking forward to meeting villagers with the start of the Friday social season and other events.

Clearly the Coronavirus pandemic makes us think of much more important things, with all village events cancelled for the foreseeable future.

Moulsford is a **great, great 'family'** and I am sure the village shall support all of those that are vulnerable or in need of help at this time.

The thoughts of the Events committee are with all of those in the village but especially with Nigel Baker and his family - our best wishes for a speedy recovery.

Clearly this was not the article I was expecting to write in Spring, with so many aspirations for a great season of events! In the mean time, please **Take Care** - and the Events committee look forward to 'business as usual' when the situation improves.

Moulsford, a great village! We shall meet up for a beer or glass of wine when this is all over!!!

Parish Council Report

There is only one subject to focus on this month and that is the COVID-19 Coronavirus emergency. Moulsford Parish Council has been working with SODC and is coordinating a parish-wide response to the COVID-19 Coronavirus emergency based on the latest guidance issued by Public Health England and HM Government. You will have seen from the front page of this newsletter that we are establishing a support network of volunteer residents for our fellow residents to call upon who may need help when homeworking or self-isolating.

We have many people in our village who are in high-risk categories and who are already self-isolating. This need will only increase over the next few weeks, and possibly months, and we must look to help each other as this emergency unfolds. ***We do not want anyone in our community to feel they need to take a risk to themselves or others when a neighbour can help them out.***

As this is a fast changing situation we will be communicating via the Moulsford Facebook page in the first instance (<https://www.facebook.com/groups/217766575080077/>). Not all in our community have access to Facebook so the first request is to ensure that these communications are passed on by those who do.

Turning to Parish matters, Cllr Julie Twibell has decided to stand down as Parish Councillor. Firstly, our thanks to Julie for volunteering in the first place and for her commitment to our village. Secondly, we now have a vacancy for a parish councillor and have advertised this on the Village Notice Board as per the regulations. So if you would like to "do your bit" for our village and community or want to find out more about the role, please contact Geoff on parishclerk@moulsford-pc.org.uk or any PC member by 24th March 2020.

And finally, a note for your diaries: The Great British Spring Clean, cancelled this month will now be held between 11th - 27th September 2020. Details will be announced nearer the time.

My Dear Friends,

We are living in extraordinary times, such as most of us have never seen before in our life-time. Many are fearful of the effects of the corona virus, whether it is for our own health or the health of more vulnerable loved ones, or fear of the economic consequences of the Government's strategy to limit the effects of the outbreak.

Recently, I was reflecting on Psalm 46 which says: *² Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea.* Certainly, that's what it feels like at the moment – as if our whole landscape has changed, and the things we have always taken for granted as being permanent fixtures in our lives have just given away and disappeared for the time being.

In St Paul's famous passage on love, from *1 Corinthians 13*, he says that whatever else might disappear, three things remain: *faith, hope, and love*. For the Psalmist as one who believed in God, the remedy for fear when everything around him was giving away, was the first of these - **faith**: to remind himself that God was in their midst as a people. He knew God was a refuge, a fortress and someone who gives us strength and help in time of trouble. Famously when Jesus' disciples were in a boat on the Sea of Galilee with Jesus who was fast asleep, and a huge storm blew up threatening to overwhelm the boat, they woke him up with the words: *"Master don't you care that we are all about to drown?!"*. Jesus, woke up and replied by asking them *"Where is your faith?"* He then promptly brought the storm to an end. I do believe that this corona virus storm will be brought to an end. But maybe Jesus is asking us: *"Where is your faith?"*

The second remedy for fear is **hope**. Even though the church cannot not hold public services at present, this will not stop us at Easter next month celebrating in different ways the great hope of new life and resurrection. Easter reminds us that however dire things might seem God has the power to overcome the greatest darkness. As Desmond Tutu once said: *"Good is stronger than evil; love is stronger than hate; light is stronger than darkness; life is stronger than death. Victory is ours, through him who loves us."*

This brings us to the third and perhaps most powerful remedy against fear, which is **love**. The Apostle John wrote that *perfect love casts out fear*. He was talking about the need for us to be aware of how much God loves us, but the more we love one another, our neighbour, the most needy in our community, the more we will be aware of the love God has for each one of us.

May this time of crisis be a time when we learn even more to look out for each other, to show love and compassion; in doing so we shall discover a remedy – along with faith and hope – against any anxiety or fear.

With warmest regards,

Andrew Petit, Vicar of Moultsford andrewpetit@virginmedia.com Tel: 01491 651216

***Until further notice there will be no public services of worship in Moultsford Church.
It will however continue to be open for prayer and reflection.***

If you would like pastoral or spiritual support, please do not hesitate to contact Andrew.

Pavilion Hire Rates

Nigel Mansford, PMC Chairman

Whilst the costs of running the Pavilion rise year on year, our Pavilion Management Committee continually seek ways to operate as efficiently as possible and therefore keep increases in hire fees to a minimum. For the year that completes at the end of March '20, the Committee has been able to complete a full maintenance and refurbishment schedule that has kept the Pavilion in good condition for its many and varied hirers. This has been achieved within the financial plan and consequently the Committee has decided that there is no need to increase hire fees in the coming year.

This decision was taken in advance of the Covid 19 crisis, but any price increase would be modest and provide little mitigation against the wide ranging impact of current circumstances.

Village Committee meetings

During this current changeable period, village meetings will be managed differently to normal. There may be extraordinary meetings to be held, which means they are not open to the public.

In the event standard meetings are not able to be held face to face, the individual committees will make arrangements to correspond by other means. Where there are minutes of meetings, they will be shared on the village website or available upon request. We will use the Moulsoford Village Facebook page to make village announcements where needed.

Volunteering for our support network

If you would like to be part of our volunteer support network to provide help within the community and you haven't already been in contact with Bernadette Sachse, please get in touch via community@moulsoford-pc.org.uk.

Please also get in touch if you have ideas of non contact activities that may help people stuck at home, for both the young, old and all in between!

Community spirit and engagement will work wonders for helping people with their mental wellbeing, we are in this together, will fight it together and come through it together.

Keep in touch!

If you're planning local events, doing something for charity, or simply have something to say, Moulsoford News wants to hear from you.
