**WHITCHURCH SILK MILL**

Whitchurch Silk Mill is a special heritage site and the 'Friends' help to promote and look after it to ensure its survival. The Mill produces silk fabric to make into items to be sold in the Silk Mill shop and hopes to be able to supply the commercial market in the future. At the same time the Mill provides a detailed insight into the craft of silk weaving. Provision is also made for the education and entertainment of visitors.

Friends receive the following:

- Exclusive free admission to Whitchurch Silk Mill exhibitions, tea-room, and gardens during normal opening hours.
- 25% discount in the Silk Mill Tea- room.
- 10% discount in the shop on the last weekend of each month.
- Reduced rates in the programme of events.
- Newsletters to keep you in touch with the Mill.
- Mailings concerning special events.

### Friends of Whitchurch Silk Mill

The Friends were founded in 1989 to support the Mill in all its aspects. Members share a love of the oldest working silk museum in the UK. Our activities help to promote the understanding, appreciation and enjoyment of this unique early 19th century building and the history of silk making in England. Also, it has important connections with the country town of Whitchurch.

The Annual General Meeting of The Friends takes place in October. Membership runs from 1st January. Membership for new members joining on or after the 1<sup>st</sup> October continues to the end of the following year.

A Standing Order Form is included for those who wish to ensure regular contributions. The use of the form means that reminders do not have to be sent to members. Initially, the form should be sent to the membership secretary.
