

## PROPOSED TEMPORARY CLOSURE OF VARIOUS ROADS, CHIDEOCK

I have received an application from Wessex Water to close VARIOUS ROADS, CHIDEOCK;

PETTYCRATE LANE between its junction with Sea Hill Lane and St Marys, a distance of approximately 70 metres.

MILL LANE between Walbridge house and a point approximately 50 metres west. This will also affect Duck Street/Sea Hill Lane.

The closure has been requested to allow Wessex Water to carry out a flood alleviation project. These works are programmed to commence between 0800 until 1800 from 29 January 2024 until 01 February 2024.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Izzy Rowland, (trafficteam@dorsetcouncil.gov.uk) by 14 January 2024.
