

Part 1 - To be completed by main household occupant(s)

Test Valley Borough Council has been commissioned to undertake an independent survey to assess the current and future need for different types of housing in the Parish.

This survey is being conducted in consultation with NAME (Neighbourhood Plan Group/Other etc), NAME Parish Council and Test Valley Borough Council.

We are keen to hear from all households and want to obtain your views on housing in the Parish and understand what type of housing may be required both now and in the future by you, or other members of your family/household.

Please complete one survey per household. If there are people in housing need please ask them to complete Part 2. If there is more than one person in housing need they should complete a separate survey.
