ITEM11 **SLR Meeting**

I am now in contact with East Sussex Highways and am currently organising an SLR meeting for either the first week of August or sometime in September. I will need the Chairman of the Parish Council to be present and two other Councillors. The meetings are held every six months and they can be held virtually. Corinne Black who is the Customer Services Manager of East Sussex Highways organises the meeting. Three East Sussex County Councillors will be invited as well as Ruby Brittle, Stakeholder Manager for Highways, Dom Ward the Highways Steward, Ian Johnson the Highways Traffic & Safety Manager and Corinne herself. The Parish Council raise items of concern with Corinne and she produces the agenda for the meeting. The meetings normally last between 1-2 hours.
