

Clee Liberty towards a new Management Plan - public meeting open to all

Following 18 months of surveys, observations, species and habitat research and fact finding with, and by local people, the Our Upland Commons project invites you to come along to a discussion of a number of habitat improvements for Clee Liberty

Monday 28th November 7:30pm
Clee St Margaret Village Hall

With Leo Smith, Dr Jenny Joy and Mike Williams

Come and share your views on how you would like to see the hill managed

Please email Renée, OUC Project Officer to book your place so we have an idea on numbers for refreshments and seating
