## MINUTES OF THE PARISH COUNCIL MEETING HELD ON MONDAY, 11<sup>th</sup> DECEMBER 2017 AT THE ROY UNDERDOWN PAVILION, COLLEGE PLAYING FIELDS, BARON ROAD, HAMBLE-LE-RICE AT 7.00 PM

#### PRESENT:

Cllr S Cohen - Chairman Cllr P Beach Cllr S Hand Cllr D Rolfe Cllr I Underdown

#### In Attendance

Mrs A Jobling – Clerk to the Council Mrs J Panakis – Minutes Secretary 3 Members of the Public

#### To Receive Apologies for Absence

**434/121/17** Apologies for absence were received from Cllr M Cross, Cllr G Woodall, Cllr S Schofield, Cllr D Phillips and Cllr I James.

#### **Declaration of Interest**

**435/121/17** Cllr Beach declared a dispensation regarding the Foreshore and Dinghy Park. Cllr Cohen declared a dispensation relating to membership of the Royal Southern Yacht Club. Cllr Hand declared a dispensation relating to the Foreshore and Dinghy Park and membership of the Royal Southern Yacht Club. Cllr Underdown declared dispensations relating to the Foreshore and Dinghy Park and the River Hamble.

#### To Accept the Minutes of the Council Meeting held on 27<sup>th</sup> November 2017

**436/121/17** Cllr Cohen proposed, Cllr Underdown seconded, <u>IT WAS RESOLVED</u> that the Minutes of the Council meeting held on 27<sup>th</sup> November 2017 be accepted as a true record. The Minutes were then signed by the Chairman.

### To Accept the Exempt Business Minutes of the Council Meeting held on 27<sup>th</sup> November 2017

**437/121/17** Cllr Cohen proposed, Cllr Underdown and <u>IT WAS RESOLVED</u> that the Exempt Business Minutes of the Council meeting held on 27<sup>th</sup> November 2017 be accepted as a true record. The Minutes were then signed by the Chairman.

#### **Public Session**

438/121/17	A Parishioner spoke to the meeting to complain about the new Community Orchard
at College Play	ring Fields. The complainant felt that the location of the Orchard would cast shadov
over her garde	n during the afternoon and evening. She also complained that she had not beer
informed abou	the planting. Cllr Cohen thanked the Parishioner for her comments.

#### **Community and Partnership**

**439/121/17 Complaint regarding the Community Orchard at College Playing Fields** The Clerk advised that the trees should not grow much above 10ft and therefore it was not expected to be a problem. It was agreed to contact the complainant in the summer to assess the situation and if needed to relocate one or more trees as part of the second phase of planting. **CLERK** 

440/121/17 Tree Survey A full report was circulated with the papers for the meeting. Cllr Underdown proposed, Cllr Hand seconded and IT WAS RESOLVED that the following recommendations (with slight modifications from those set out in the paper) were agreed: (1) To instruct Eastleigh Borough Council Tree Services to undertake 5 tree surveys (Phase 1 – details in the report) with the resulting reports being presented to the Asset Management Committee for approval, so that remedial works can start before the end of February 2018. Cost of Surveys -£1,500 plus VAT; Budget for remedial work - £2,000 plus VAT. (2) Agreed in principle to further phases of surveying with all remaining un-surveyed areas [13] being covered by the end of September 2018 with recommended remedial works being achieved by the end of February 2019. (3) To ensure in principle that there is 2018/19 budget provision to undertake remaining surveys and remedial works.

441/121/17 Hampshire County Council – Hamble Lane Highways Consultation Representatives from Hampshire County Council Highways have been making public presentations on their Consultation. Concern was expressed on a number of aspects:

- That there was a lack of hard data available at the presentation and that this would negatively affect any conclusions.
- The only traffic monitoring information was gleaned from Mallards Road no information was available beyond that point, down to the end of the peninsular.
- The questions on the Consultation were not at all clear, and it was difficult to know how to respond to them, particularly for the Parish Council as an entity.
  - There was no extra provision for parking at Hamble Station and it appeared that Network Rail had no plans to increase rail services passing through the station.

Hampshire County Council have indicated that they would only put traffic monitoring in if the Parish Council agreed to pay for it. The Council decided that they would seek a meeting with Cllr Humby from Hampshire County Council who is the Executive Member for Environment and Transport. The Council asked the Clerk to draft comment on the consultation to circulate via social media.

Side and rear extensions with accommodation in roof space above, raised decking at rear, attached single garage following demolition of existing detached garage and new vehicular access – 48 Satchell Lane, Hamble-Le-Rice, Southampton SO31 4HL.

Clir Underdown proposed, Clir Hand seconded, and <a href="IT WAS RESOLVED">IT WAS RESOLVED</a> that the decision be left to the Officers, however, the Council expressed the following concerns: that the development was large in relation to the footprint of the property; that the development mass would overshadow the properties to the rear and that the design was out of keeping with the surrounding area. The Council asked that neighbour's comments be taken into account.

CLERK

**445/121/17 Response to the Fareham Borough Council Consultation** Cllr Cohen said that she had received comments from Cllr Underdown and would circulate these, along with her own, to Councillors requesting any other remarks from Councillors.

#### Finance, Compliance and Governance

Recommendations from the Burial Committee A paper had been circulated 446/121/17 making 4 recommendations to the Council to approve: (1) Exclusive Right of Burial fee of £150 for new ashes plots; (2) Increase of fee of burial plot headstones to £125; (3) Revised Regulations including dimensions for headstones and tablet memorials; and (4) adoption of the Grave Ownership and Deed Transferral document. Cllr Underdown proposed, Cllr Cohen seconded, and ΙT WAS RESOLVED that these four recommendations approved. be **CLERK** 

**447/121/17 Recommendations from the Dinghy Party Working Group** A paper had been circulated making 9 recommendations for the Council to approve:

- 1. The revised Terms and Conditions
- 2. The Revised Application form
- 3. Wording of the covering letter
- 4. Draft questions for survey to inform plans for future improvements of the area. A public engagement event to be held on 26<sup>th</sup> January 2018 at the Priory Centre
- 5. Request a budget is set aside to fund improvements programme
- 6. To further investigate feasibility of using the current sin bin area for income generation such as racking for small craft, eg paddle boards, kayaks and canoes
- 7. To implement a more frequent inspection programme
- 8. To request full details from Hamble River Sailing Club of all boats stored at the Dinghy Park, including ownership and emergency contact details. Once this information has been received to allocate numbered stickers to the Sailing Club. (The historical practice has been to issue stickers marked HRSC only not numbered.)
- 9. In response to the letter of 9<sup>th</sup> October 2017 from Hamble River Sailing Club requesting that they: lease the area of the Dinghy Park currently used by the Sailing Club; lease an area from the southern end of the Dinghy Park to the southern edge of the barrier and slipway

and lease the sin bin area. The Working Party recommended that the Parish Council should not agree to the proposals at this time.

Cllr Rolfe proposed, Cllr Underdown seconded, and <u>IT WAS RESOLVED</u> that the 9 recommendations from the Dinghy Party Working Group are approved. **CLERK** 

448/121/17 Schedule of Payments The Clerk highlighted the following in the schedule of payments: the payment to Eastleigh Borough Council for HYPE is disputed, in that the Parish Council has been invoiced for the whole commitment of £10,000, whereas it had been agreed that these payments would be invoiced in tranches. There are 2 entries relating to SLCC, one of which is an adjustment for fees which should not have been paid. The payment to Class Fire was queried: this was for the provision of external training, risk assessment and equipment from this organisation. Cllr Underdown proposed, Cllr Beach seconded, and IT WAS RESOLVED that the schedule of payments be accepted.

**449/121/17 Bank Reconciliation for the Period** The Clerk said that the bank statement had been reconciled to £151,761.32 and signed off by Cllr S Schofield. **CLERK** 

450/121/17 **Draft Budget** The Clerk reported on the list of priorities circulated with the papers of capital expenditure going forward, which had come from working groups, committees or discussion in Council: this amounted to £118,000. At present the Council held £250,000 in reserves, if funding for these capital projects were taken out of reserves this would leave a balance in excess of the minimum reserve advised by the Auditor. The Auditor has already commented that the Parish Council's reserves are high. The Clerk asked whether the Council wanted to approve the list of projects, and whether they wished to use reserves to fund them, or authorise a slight increase in the precept. In the next financial year there could be a 2% increase in staff salaries plus pressures from pension increases. In addition, next year the revenue support grant from Eastleigh Borough Council may be withdrawn. This year the grant was £15,000. Income of £8,000 is anticipated from the telecoms mast and there is scope to increase some income charges. Decision as to whether to increase the precept will need to be done at the next meeting in January 2018.

Cllr Hand proposed, Cllr Cohen seconded, and <u>IT WAS RESOLVED</u> that the Council agreed in principle the priorities identified in the programme of capital expenditure, subject to financial ratification and agreed the revised budget for 2018/19, subject to further discussion on the precept.

CLERK

451/121/17 Miscellaneous Charges – Football Pitches A comparison had been made of Hamble Parish Council's charges for use of their football pitches with other Parish Councils in the area: it would appear that the present charges Hamble Parish Council apply are very low by comparison. The Clerk advised that the Council considered a fee structure similar to that applied by Hound Parish Council for teams using their pitches from outside of the Hound area. The Clerk was asked to work out fees, based on the formula's used by Hound Parish Council, and bring the information back to the next meeting.

**452/121/17 Exempt Business** Cllr Cohen proposed, Cllr Beach seconded, and <u>IT WAS RESOLVED</u> that in view of the confidential nature of the business to be discussed the public and press be excluded.

The matter to be discussed was as follows:	Staffing Issues	
The meeting closed at 8.55 pm.

Dear Amanda,

Further to your advert in the HPC magazine.

I would be pleased to offer my services as a voluntary Parish Cllr. and offer the following as my application statement for co-option.

I have lived in Hamble since 2005 with my wife (who is a University academic) and two young children plus our two dogs.

I have a degree and masters degree in tourism and hospitality and am also a qualified lecturer with a PGCE and masters degree in education and am happy to offer these skills and experience to the Parish Council.

I currently work for East Hampshire Council as an Environmental Health Licensing Officer at senior levels and would be pleased to offer this skill to HPC as a Cllr.

Previously I served as a Licensing Officer within Legal to Southampton and Eastleigh Councils where I gained a unique insight into Committee function, Councillors, and Democratic Services and operations of EBC and the Hamble area (Licensed Premises, Shops, Takeaways, Gambling and Events in particular).

I live in the Mercury area of Hamble, have my own car insured for business usage, have a clean enhanced disclosure, a full clean UK driving licence and am available for alternate Monday council meetings in the evening.

I therefore submit my application for co-option to the Hamble Parish Council and hope you are able to find favour an appoint me as I would be most pleased to volunteer my services and experiences as a HPC Cllr to the village and community as a whole.

Thanks and best wishes,

#### Dear Sir or Madam

I noticed the above positions available in the Village Magazine.

I would like to apply to become a parish councillor. My name is Ray Newton and I live at 23 Hamble Lane, Hamble, SO31 4JR. My wife Jean and I have lived here for now for 6 years. I am an active 63 year old. Our children have flown the nest.

I believe I can contribute to the work of the council. I have over 25 years experience in various admin roles in local government education, social services and finance and in marketing and procurement management positions for large companies.

In the last 11 years I have run my own management consultancy business (see <a href="https://www.edifyconsulting.co.uk">www.edifyconsulting.co.uk</a>).

I have an ONC in Public Administration, 2 post graduate business study diplomas and an MA in International Marketing. I am a good team player, can take on leadership roles and consider myself an expert negotiator. I believe these skills would be valuable for a councillor.

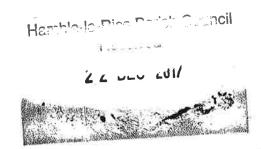

Finally people who know me would testify I never do things half heartedly - I give my all to meeting an objective. So I would be a very committed member of the council.

I look forward to your feedback.

#### Dear Amanda

I would like to be considered for the position of a co-opted Parish Councillor for the Parish of Hamble-le-Rice.

I believe I would be ideally suited for this position for the following reasons:

- I have lived in the local area most of my life and specifically in Hamble for nearly 25 years.
- I am not a member of any political party or local club or organisation.
- I am passionate about democracy at all levels of government.
- I have a proven track record of delivering challenging local projects, namely the Hamble Parish Plan (2008).
- I have a record of employment demonstrating a varied career both as employed and self employed in multiple disciplines.
- I believe that everyone should have a voice in local matters and that our communities issues and concerns should be given due weight and consideration in any local or national decisions which may affect us.
- I consider that decision making processes should give full and due consideration to all issues and opinions but, at the end of the day, a pragmatic solution delivered in a reasonable timescale will give the best results for parishioners.
- The biggest challenges for the parish in the foreseeable future, in my opinion, will be the consequences of residential development (traffic, health and education resources etc.) and the need to reduce the environmental impacts caused by air and water pollution, and the substantial impacts of an increased local population size on our local resources and services. At the same time the amazing benefits of living a such a fantastic place, (community, resources, environment etc.) need to be vigorously defended and if possible enhanced.

 I consider myself to a reasonably well known person in our parish, having worked locally for several years and enjoy the friendship and community which living here provides.

I hope that the above and my attached abbreviated CV will give confidence of my potential as a Parish Councillor. I will be an active member and will not hesitate, after due consideration, in contribution or challenging where appropriate.

If successful I will of course abide by the rules concerning the conduct of Parish Councillors and will disclose any interests I may have, pecuniary or otherwise which may arise as a result of my involvement in Parish matters. I have no objection to any statutory background checks which may be required.

I look forward to introducing myself in person to the Council and hope that you will look favourably on my application.

Yours sincerely

Married with two children

I attended Itchen Grammar School then started work at Vosper Thornycroft Woolston at the age of 18 where I was involved with the technical configuration of Type 21 Frigates for the Royal Navy.

I then worked for the Ordnance Survey from the age of 19 until my voluntary retirement at the age of 50. I started my career as a Cartographer but moved extensively into surveying, IT and people management. I was Project Manager for the complete replacement of the IT infrastructure including network cabling, computer rooms, telephone exchange etc. at former HQ at Maybush. I was then responsible for the IT support function including help desk, customer support, IT security and local and wide area networks. This included managing external support contracts and ensuring service level agreements were adhered to and I was responsible for managing up to 43 people in various technical and customer facing roles

Whilst at the OS I was seconded to the EU and worked as a consultant for the Slovakian Government on an IT infrastructure project in Bratislava.

On leaving the OS I started my own IT company and worked for a nationally renowned network cabling company, Trinity House, and Vodaphone where I was managing the support of the test and development facilities in Newbury.

I have also worked for a local yacht charter company being involved in care and maintenance, repairs and safety checks.

Subsequently I decided on a complete career change and joined with local friends and colleagues doing property repair and refurbishment in the local area.

I was chairman of the Hamble Parish Plan Steering Committee which produced the Parish Plan of 2008 I am particularly proud that we achieved a very high response from parishioners which gave great weight to the plan.

I am now semi retired but like most self employed people will never give up!

My interests include winter mountain walking, motorcycling, classic cars and of course long walks locally with my wife and my Labrador

#### Dear Amanda

Please accept this letter as confirmation that I wish to apply to become a member of Hamble Parish Council.

I have lived and worked in Hamble for over twenty five years, after moving down from London in 1991. I enjoy living in Hamble, have owned a property here since 2001, and regard it very much as my home.

If elected as a counsellor I would be very keen to encourage a sense of community for the whole of Hamble, help protect and improve the quality of life of local people, local amenities and the local environment.

I am passionate about supporting the still vibrant business environment which exists in Hamble, one which faces numerous challenges, so that new businesses will still be attracted to the area in years to come. In 1999 I became aware of the impressive number of small and larger businesses when I created a River Hamble Directory as a means of raising money for the Hamble Week event which I helped to coordinate in that and the following year.

For 6 years I worked for Hamble School of Yachting in Hamble Point Marina and Mercury Yacht Harbour so have an understanding of the local leisure and marine industry and its importance for local businesses and employment.

For 15 years I was employed by Hamble Estate Agency as a senior negotiator/manager. I understand the planning process and I am aware of some of the challenges residents face in different parts of Hamble. I also hope I have an eye for good design which can help so much to improve the local environment and the importance of sympathetic design particularly in the conservation area. The "branding policy" the council is developing is of interest in this regard.

Development can be beneficial and necessary but like many I am concerned about OVER development in Hamble and the surrounding area, and the gradual erosion of brownfield and greenfield sites as well as the strain on local infrastructure. Over the years I have opposed some of the larger proposed developments, particularly in terms of scale and density, but also supported some applications where I felt they had a beneficial impact.

As part of the initial RAGE campaign (residents against gravel extraction) I did a deputation at Hampshire County Council on the potential negative impact of gravel extraction on local businesses. When charging was introduced in the Square car park I also campaigned for the introduction of parking permits for residents and businesses in central village properties which had no off street parking. This included meetings with various stakeholders in the community.

For the last 3 years I have been a member of The Royal Southern Yacht Club purely for the social aspect. I am not involved in the running of the club in any way. I am not a member of any political party.

I am a good listener and have been told I have good negotiating, networking and organisational skills, as well as an ability to think laterally, though maybe not always. I enjoy problem solving and am an able project manager. I have a degree in Business Studies and

worked in investment banking prior to moving down to Hamble. I understand the planning process and if required I would be keen to help the council develop a neighbourhood plan.

I have a good sense of humour (most of the time).

If elected I could devote quite a generous amount of time to council matters as I will only be in part time employment.

Thank you for considering me for the role of Parish counsellor.

Yours sincerely

#### 19 Old Priory Close, Hamble, SO31 4QP Tel 023 8178 7159

I wish to be considered for one of the current vacancies on the Parish Council and set out below details of my relevant experience.

My wife and I moved to Hamble in 2016 to be nearer our daughter and son-in-law and their young family who also live in the village. We are therefore very much committed to Hamble as it is where our grandchildren are growing up. Since moving here my wife and I have become involved in village organisations including St Andrew's Church and the Royal Southern Yacht Club as well as others in the wider Southampton area. We have also attended some of the talks organised by the Hamble Local History Society.

Until I retired I was a solicitor in private practice with a firm in south Hampshire and the Isle of Wight. My work was primarily in the property and commercial areas.

My local government experience is

Member of Medina Borough Council 1976-1978
Member of Isle of Wight Council (a unitary authority) 2009-2013. Throughout this period I
was a member of the Council's Cabinet with responsibility for highways, and waste services
and latterly also for the Fire Service
Primary School Governor 2010-2013
Attended Local Government Leadership Academy 2010
Parish Councillor for about 12 years including two periods as Chairman.

From 1992 to 1997 I was a non-executive director of St Mary's Hospital NHS Trust.

I hope that my local government experience and my background in law and business would be of assistance to the Parish Council. As I am retired I have the time available to attend to Parish Council work. I confirm that I can attend the meeting on 8<sup>th</sup> January.

I wish to make a formal application to the Hamble Parish Council to serve as a councilor. The PC will note that I am on the electoral register in Hamble and own a property in the village. I am over 18 years of age.

My professional background is as a barrister. I was called to Inner Temple in 2000. I regularly represent clients in the local courts as well as in the High Court and Court of Appeal in London. My specialist areas of law are finance and civil disputes.

I have a long history of a connection to Hamble, having sailed here over many years. I owned a boat here until last year and am a member of the Royal Southern Yacht Club. In 2015, I moved permanently to Hamble and know the area well.

With no children at home any longer, I have the time and commitment to serve on the Parish Council. The skills I have acquired as a barrister will, I hope be of value and assistance to the decision making process required of the council. I am also a trained negotiator and Commercial Mediator and hope that I could make a valuable contribution to representing the wishes of Hamble residents as a councilor.

I hope that I bring maturity and a sense of realism to discussions and will be an enthusiastic contributor to anything required of me.

Council 8<sup>th</sup> January 2018

Agenda item: 4a Precept and Budget report

#### Recommendation:

To agree the recommended changes to the Councils budget for 2018/19 Appendix 1

To approve payment of £40,000 to Eastleigh Borough Council of improvement works to Coronation Parade from the Reserve Fund taking the balance to £100,926.34

To agree the revised list of projects for next year set out in Appendix 2

To agree an increase of £5.70 in the Parish Council Tax from £114.03 in 2017/18 to £119.73 in 2018/9 for an average band D property.

To use Council reserves to bridge any shortfall

Agree the proposed fees for pitch hire for the next season Appendix 4

#### **Budget update**

- 1. At the last meeting, the Council deferred a decision on the budget and the precept. In the intervening period some further changes have been made. These are set out in paragraph 4 below.
- 2. The report set out a number of pressures on the budget as well as the list of spending priorities that have previously been agreed. Council should note that cost of feasibility work has been removed from the project list and built into the base budget for 2018/9.
- 3. In addition the cost of the works to Coronation Parade although agreed have not been included in this year's budget. It is proposed that the cost of this is funded from the reserve account which will take the working balance to £100,926.34.
- 4. Bearing in the mind the extent of the projects identified for next year it is recommended that the precept be increased by 5% which will result in a marginal increase in the Parish Council Tax cost of £5.70 per band D dwelling. The impact of this is set out in the attached spread sheet in Appendix 3 alongside the charges set in this year by Parish Councils. The Clerk should be able to update Council on spending plans of other Parishes at the meeting.
- 5. The effect of the increase will produce a further £12,053.15. As a result the Parish Precept for next year will be £228,827.98 with a further £12,087.94 from Eastleigh Borough Council as a revenue support grant (this will in all likelihood disappear from next year) giving a total of £140,926.34.
- 6. Additional changes include:
- Precept and grant income shown in budget (based on 5% increase)
- Increased pitch hire income (Appendix 4)
- Reduction in the grant budget to £3,000 based on this year's take up
- Inclusion of the £30,000 in professional fees for feasibility work on RUP and Mount Pleasant.
- Cost of appointing Accountancy support for the year (see agenda item 4a)
- 7. A spreadsheet is attached in appendix 2 that sets out the draft programme of projects for next year. The spread sheet also identifies the extent of reserves held by the Council. Expenditure on this list would take the reserves held down to £131,000 which is adequate.

- The auditor has advised that the reserve should be equal to no less than a quarter's expenditure. This is within this tolerance.
- 8. The current budget outturn is still showing an underspend which is a reflection in large part of the work carried out over the year by all the staff to reduce overheads and increase fee income. The predicted outturn suggests that expenditure has been reduced by £68k and income increased by £31K. In addition the dinghy Park income is still to come into the accounts which will provide a further £28k. Against this is the purchase of the mower that has already been approved and discussions are taking place to bring forward the other equipment purchases into this year to enable a negotiated figure with the mower supplier. This will be reported back to the AMC before being reported to the Council. If this is cost effective it will reduce pressure on the budget next year end are
- 9. Revised fees for pitch hire are set out in Appendix 4 following the direction of Council at its last meeting.

## Agenda item 4a Appendix 2 Project list for 2018/19

Activity	Amount £000	Commentary	
Cemetery Plan	5,000	Changes are now agreed to improve the area of ashes internment. The Committee is also keen to increase the natural state of the area to attract more wildlife and provide a public open space as well as a cemetery	
HYPE	10,000	No currently allocated as not part of the base budget.	
Allotments Plan	2000 Work is needed to remove tree cover and review the current fence line to improve security		
Street Furniture	50,000	This will include a mixture of Benches, Bins and Street Signs. It is recommended that £40,000 be set aside for the benches although the programme of renewal may extend beyond this year. A protocol is also being established for the purchase and maintenance of benches based on Portsmouth City Council. The Asset Management Committee will be asked to approve it in January. This might reduce the budget requirement over time.	
Replacement Equipment	14,000	2 hand mowers have been taken out of use this year leaving only the new sit on and one hand mower. Also a further Car Park machine should be acquired to cover potential failure of the other machine	
Dinghy Park Improvements	rovements 7,000 A consultation event is planned for the end of January to agree a list of improveme Funding could be spread over 2 years.		
	88,000		

£30,000 for the fees for feasibility work has been transferred into the budget.

	Pitch only	£30+vat	£30+vat
	C/room only	£18+vat	£18+vat
	(Training)		
Junior Football	Pitch only		£20+vat
Cricket	·		£80+vat

Block bookings made at start of season for 10+ games means VAT is not charged.

Teams are responsible for setting up and taking down of goals/nets and leaving facility in reasonable condition (although not full cleaning)

The work involved specific to staging a football game:-

Pitch marking 20mins senior, 15 mins junior per pitch can play up to two games per pitch a weekend

Taking bookings and unlocking/locking pavilions up to 4hrs per week

Some renovation work will need to take place through and at the end of the season. Approx. 30 hrs total per season.

Costs involved:-

White line marker £16.30 +vat for a 15L drum will use approx. 20 drums a season total £326+vat

Line marker £585 .15 ea, both of our linemarkers are over 15 years old.

Goals £549 per pair, our goals are15+ years old

Nets, £52 Per pair, nets will last approx. 5years

Corner flags£ 10 each, six per pitch, flags will last 15+ years

Grass seed for renovation £75 per season (for normal wear)

The equipment cost based on a 15year lifespan for equipment and three sets of nets during that time multiplied by the total number of pitches HPC have in use (5) gives a total cost of £776.05 per year. Personnel cost based on a wage of £10 per hour would give a maximum weekly cost of £55, add to this the end of season cost of £300 giving a season total of £1760

Cleaning contractors are costing £2924 for the season

Added together a yearly total would be £4984

The costs not included are electric, water, gas (CPF only)

The projected income from pitch hire for both grounds for the financial year is £7500.

## HAMBLE PARISH COUNCIL

Council Date: 8.01.18

Agenda item: Agenda 4d Financial support

#### Recommendation:

To waive the Councils financial Regulations in the appointment of specialist services provided by J Humphry's Associates to provide financial support to the Clerk for a period of 12 months at a cost of £3600 + Vat.

To note that £5,000 has been included in next year's budget.

- 1. During the last twelve months the Council has purchased 2 days extra consultancy services from RBS (Rialtas Business Solutions) to train and mentor the office staff in the use of the financial system and the production of the monthly accounts. RBS provide a phone hosted support service which enables specific problems to be resolved and regular use is made of it. Not with standing this the Clerk feels that she requires more intensive and regular help to develop the necessary competency in fulfilling the role and to be working with an expert each month on routine business.
- 2. J Humphrey Associates have carried out a similar role for Hound Parish Council and work with Hedge End Town Council on their end of year accounts. They have specific knowledge of Omega (the Council's software) as well as industry standards. Details of the company can be found at the following link: <a href="https://www.jhumphryassociates.co.uk">https://www.jhumphryassociates.co.uk</a>
- 3. It is recommended given they have specialist knowledge of working with Parish Councils to waive Financial Regulations in the appointment on the basis of securing specialist skills (Para 11.1 a (i)). The cost of providing a day per month support and mentoring will be £300 + VAT and includes travel costs. This compares to our last invoiced session with RBS which was £399.00 + £67.00 (travel) + Vat. They have also costed a proposal for payroll which is cheaper than our current provider and might be worth using from the new financial year.
- **4.** If the appointment is agreed it is recommended that they are also retained to complete the Councils end of year accounts which would otherwise be carried out by RBS .

#### **Budget implications**

- 5. The Council will need to find £1080.00 in this financial year. There are currently underspends in a number of areas to cover this expenditure.
- 6. From next financial year there is a budget figure of £5000. This represent a balance of 9 months at £300+ vat (£3240) as well as an additional allowance for the end of year accounts. RBS charged us £562.50+ vat this year.
- 7. In addition a further £370+ vat is included for the annual fees for the accountancy system as normal.

Council 8<sup>th</sup> January 2018

Agenda item: Agenda 4e Local Government Pension Scheme

Recommendation: To agree that all new staff to Hamble Parish Council are eligible to join the Local Government Pension Scheme from January 2017 onwards.

### Introduction

- 1. The Council offers as part of its employment package access the Hampshire Local Government Pension Scheme. This is a contributory Pension with both employees and employers contributing to it
- 2. The Clerk deferred joining the scheme until April 2017 and has completed the join up arrangements recently. In order to conclude her enrolment the Council needs to formally resolve to admit her into the scheme.
- 3. To avoid a similar requirement for future new employees it is recommended that the resolution covers all new staff. This resolution covers all appointment in the last 12 months.
