5	 The Parish Council noted the content of Cllr Parry's report (previously circulated) which stated: Recycling Full Council approved the decision to invest £5 million in a new Material Recycling Facility (MRF) in conjunction with five other partner councils – Coventry City Council, Nuneaton & Bedworth Borough Council, Rugby Borough Council, North Warwickshire Borough Council, Solihull Metropolitan Council and Walsall Council. The current contract runs until 2022 and on expiry the Council would need to make new arrangements for the reprocessing of material. Evidence from recent procurement exercises in both Coventry City Council and neighbouring authorities showed that the upward trend of cost was likely to continue with substantial rises 			
5	 The Parish Council noted the content of Cllr Parry's report (previously circulated) which stated: Recycling Full Council approved the decision to invest £5 million in a new Material Recycling Facility (MRF) in conjunction with five other partner councils – Coventry City Council, Nuneaton & Bedworth Borough Council, Rugby Borough Council, North Warwickshire Borough Council, Solihull Metropolitan Council and Walsall Council. The current contract runs until 2022 and on expiry the Council would need to make new arrangements for the reprocessing of material. Evidence from recent procurement exercises in both Coventry City Council and neighbouring authorities 			

At the financial close of the build project, the Partner Council's would be jointly required to establish an arms-length company (AssetCo) to enter into contracts and to deliver the recycling solution, funded through loans from Partner Councils. The project offered an opportunity to use the Council's investment power to reduce the long term cost of a key statutory service whilst potentially improving the quality of the recycling service offered and reduce the impact of climate change.

Garden Waste

Stratford-on-Avon District Council ('the Council') is facing significant financial and environmental pressures in the medium term. There has been a 60% reduction in central government grant funding which means that the Council must consider a number of options to close the budget deficit in future years. One option is to introduce a chargeable garden waste service to help the Council reduce the costs of service provision. This would also result in more environmentally friendly ways of dealing with garden waste, such as home composting.

rates in the wider West Midlands region, as seen below:				
Rank	Local Authority	Band 'D'	Annual Garden	TOTAL
		Equivalent	Waste Charge	
1	Warwick District Council	£166.86	Nil	£166.86
2	Wychavon District Council	£121.22	£53.00	£174.22
3	Stratford-on-Avon District Council	£139.12	£40.00 (proposed)	£179.12
4	North Warks Borough Council	£207.30	NIL	£207.30
5	Rugby Borough Council	£189.72	£40.00	£229.72
6	Bromsgrove Borough Council	£223.00	£45.00	£268.00
7	Nuneaton & Bedworth Council	£233.66	£40.00	£273.66
8	Redditch Borough Council	£239.15	£40.00	£279.15
	-			

Stratford-on-Avon District has one of the lowest 'Band D' equivalent Council Tax rates in the wider West Midlands region, as seen below:

From 1 June 2020, the Council proposes to introduce an annual £40 charge per wheeled bin or equivalent sacks for the fortnightly collection of garden waste throughout the year. Additional bins/sacks would be charged at the same rate. A 5% discount in the first year would be offered to those residents who set up an annual Direct Debit for the service. The payment terms would be a single annual subscription fee payable in advance and non-refundable. Without this charge, the Council may have to consider discontinuing the existing garden waste service. The Council is interested in finding out:

• Whether residents would continue to use the garden waste service if it became chargeable;

- If so, how much would they be prepared to pay for the service; and
- If not, how would they dispose of their garden waste?

Residents can take part in the consultation which expires on 19th November and this can be found on the Stratford District Council website

	- <u>https://www.stratford.gov.uk/consultation-performance/Garden-Waste-Service-</u> Consultation.cfm?frmAlias=/GardenWasteConsultation/
	Parish Council Name Change At the request of Lighthorne Heath Parish Council, it was agreed to change its name to Upper Lighthorne Parish Council to reflect the development of the new GLH settlements.
	Wellesbourne Airfield Representatives from SDC attended the public meeting at Charlecote Pheasant and as announced at the meeting an aviation expert has been appointed to review the flying functions at the airfield and establish if there has been a breach of the Memorandum of Understanding and its impact on a CPO.
	As highlighted at the meeting SDC fulfil a planning role in respect of the airfield and have no control in respect of landlords and tenancy matters. In addition, Jeremy Wright QC MP has set up a meeting with the Secretary of State to discuss the situation of Wellesbourne Airfield with councillors and officers from SDC on Thursday 13th November at Westminster – however this may be subject to change in view of the General Election!
6	County Councillors' Report The Parish Council noted the content of Cllr Parry's report (previously circulated) which stated:
	Community Grants A meeting is being held on 4th November to review the second round of applications and details of the awards are expected to be announced in December.
	Full Council The Warwickshire Youth Justice Service Strategic Plan was approved and in terms of its review and achievements and I can confirm that the level of reoffending for our children and young people has continued to fall with a decrease of 44.3% against the previous year. In Warwickshire 27.3% of our service users reoffend and the YJS Partnership continues to strive to improve these figures further.
	The number of First Time Entrance in the Youth Justice system has declined by 31.2% in 2018/19 compared to the previous year. Numerically the number of young people from Warwickshire who serve a custodial sentence is numerically very low with just five custodial sentences imposed on four children during 2019/19.
