

The Parish Council wishes to advise residents that it is currently unable to publish the audited Annual Governance and Accountability Return (AGAR) and Notice of Conclusion of Audit by the statutory publication deadline of 30 September 2026.

This delay is due to the Council still awaiting the completion of the external audit and receipt of the auditor's final report. The Council submitted the AGAR to the external auditor within the required timescales and is continuing to cooperate with the audit process.

The audited AGAR and Notice of Conclusion of Audit will be published on this website as soon as the external auditor has completed their review and the relevant documents have been received.

The Council apologises for any inconvenience caused and thanks residents for their understanding.
