

OPEN GARDENS SURVEY

303 out of 443 visitors who came to our event on 23 and 24 June 2018 were surveyed.

The chart below is a breakdown of how they got to hear about our event

Word of Mouth and local knowledge seemed to work extremely well. Others simply ‘GOOGLED: ‘What’s on in Wiltshire’ or simply ‘Gardens Opened in Wiltshire’. They then picked up reference to our website. Even our road signs featured well.

Many came from local villages and towns in South Wiltshire. Others came from outside the county such as Hampshire, Somerset, Dorset, Surrey and Cheshire.

Larger towns featured were Bath, Swindon, Southampton, London, Frome and Salisbury.

Further afield visitors came from: **Belgium, Canada, Germany, Netherlands, South Africa and Southern Ireland.**
