

Borden Heritage Group report July 2022 for BPC

This month Lorraine St John will talk to us about the work of The Kent Wildlife Rescue Service.

We have received the reprint of our book Borden Past Times, the work was carried out by Swale Borough Council printing department and was of a very good quality and reasonable cost.

Our Facebook page continues to gather interest and we currently have 159 followers, the most popular post recently was of the Mountview Coronation celebrations and Borden Fete fancy dress competitors.

In August we will visit The Kent Police Museum in Faversham.
