CHAIR'S ANNUAL REPORT 2017-2018

BPC CHAIR'S REPORT JUNE 2018

Rocking log rot—a playpark infestation.

A replacement was obtained from Playdale and fitted by three Councillors. It works perfectly.

Cemetery and village.

Thanks to Callum Guy and John Bain for their pest control work.

We intend to get a local Contractor to lay Grasscrete on the Cemetery verges and in front of the Grove hedge which should tidy these areas up.

Allotments.

In April, I had a cordial site meeting with Richard Wilson, Chair of the Lords in Trust. As a result,

we obtained and submitted a price from a local Contractor to repair the East wall. As yet, he has not heard from the L.I.T. Agent, but at least they have agreed to do the work. All allotments are currently occupied.

Data Protection.

In May, an amendment was voted through which absolves Parish Councils from having their own Data Protection Officer, but they must comply with the new regulations. Accordingly, Helen attended a Course and has taken the necessary steps.

Finance and admin.

The Council carries adequate financial reserves and I must once again thank all Councillors for their efforts and valuable time. Things seem to get more complicated as the years go by, but our Clerk, Helen manages to keep up and remain cheerful, for which we are all grateful.
