PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - Main Road, Alington Place Road Martinstown

Further to our previous correspondence, after a site visit it has been necessary to extend our works by a day, we now plan to close Main Road, Alington Place Road Martinstown between **13th** and **19th November 2026**. All other information will remain the same as below. Any previously agreed adjustments will stand for the new dates.

The road will be closed daily, between the hours of **09:00** and **16:00,** and will be re-opened to traffic overnight and at weekends.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The recommended diversion route is marked in blue, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

During the closure periods there will be no on street parking available, and temporary parking restrictions will be implemented to prevent waiting or parking on the roads listed above. Please note that any vehicle waiting in contravention of temporary parking restrictions may be removed under the provisions of the Removal and Disposal of Vehicles Regulations 1986. If a vehicle has been removed, the owner must contact the Council's vehicle recovery contractor: Ashleywood Recovery Ltd/Bride Valley Recovery Ltd on 01305 889421.

We would like to apologise for any inconvenience caused to you as a result of this change.

If you wish to discuss these works in more detail, please contact me using the details below.

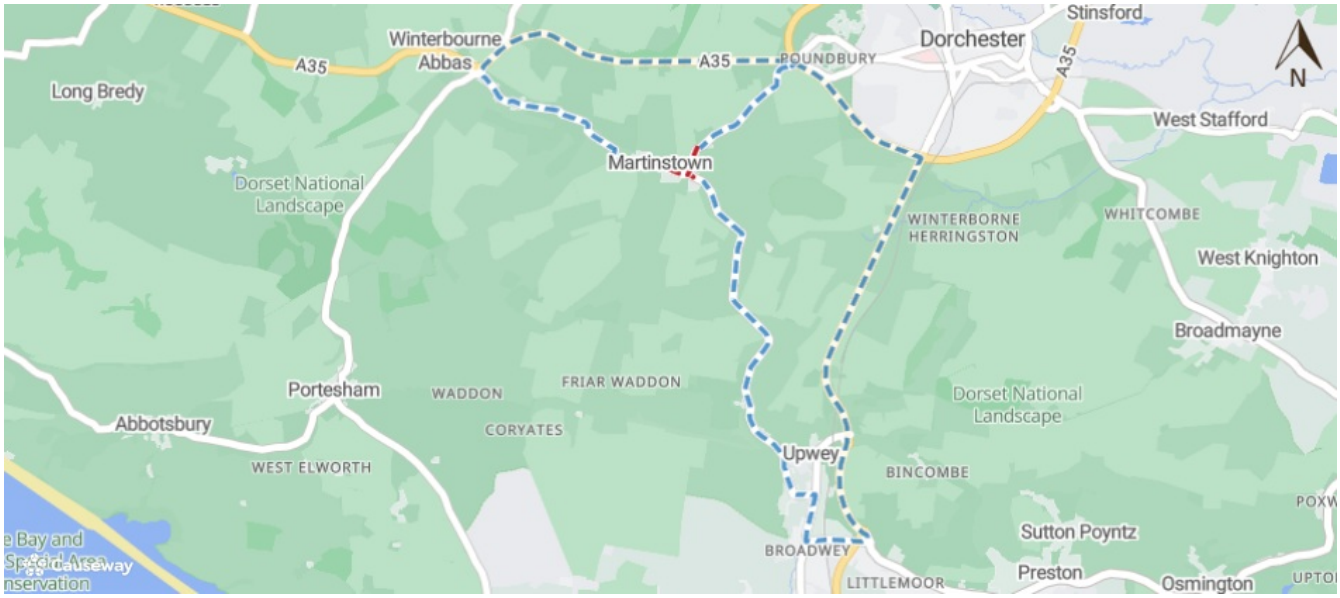

Yours faithfully

Jason Loibl
